Uncle
Tom's
Cabin

It is with the
oppressed,
enslaved
African race
that I cast
in my lot
GEORGE
ELIZA
Some should
be high
and some
low, and some
were born to rule and
some to serve

Uncle Tom's
Cabin
or, Life Among
the Lowly

To him I was no
more than a
fine dog
or horse
I'll DIE
FIRST! I'll
BE FREE, OR
I'll DIE!

Now mind
yourself, he
said with a stamp and a
fierce glance of his gray eye

Harriet Beecher Stowe

I can read my
Bible; and
there I see that
I must feed the
hungry, clothe
the naked, and
comfort the
desolate

Uncle Tom's Cabin Harriet Beecher Stowe, 2013-04-01 The book that some say helped start a war now available in a new package The story of a slave struggling to maintain his dignity during the pre Civil War era Uncle Tom's Cabin was published in 1852 to tremendous success Since then the book has received significant acclaim and invoked controversy Many believe it was an important step on the road to the Civil War but others feel it encouraged stereotypes still fought against today Yet all can agree that Harriett Beecher Stowe's novel was been incredibly influential Following the slave Tom as he is bought and sold to one owner after another as well as other slaves who escape to freedom with much difficulty Uncle Tom's Cabin is a crucial part of our American history Now available in this Canterbury Classics edition with a special heat burnished cover foil stamping and designed endpapers it is also a classic well worth reading today About the Word Cloud Classics series Classic works of literature with a clean modern aesthetic Perfect for both old and new literature fans the Word Cloud Classics series from Canterbury Classics provides a chic and inexpensive introduction to timeless tales With a higher production value including heat burnished covers and foil stamping these eye catching easy to hold editions are the perfect gift for students and fans of literature everywhere

The Power of Neo-Slave Fiction and Public History Grant Rodwell, 2023-10-13 Professional historians schools colleges and universities are not alone in shaping higher order understanding of history The central thesis of this book is the belief historical fiction in text and film shape attitudes towards an understanding of history as it moves the focus from slavery to the enslaved from the institution to the personal families and feminist accounts In a broader sense this contributes to a public history In part using the quickly growing corpus of neo slave counterfactual narratives this book examines the notion of the emerging slavery public history and the extent to which this is defined by literature film and other forms of artistic expression rather than non fiction popular or scholarly and education in history in the school systems Inter alia this book looks to the validity of historical fiction in print or in film as a way of understanding history A focal point of this book is the hypothesis that neo slave narratives supported by selective triangulated readings and viewings of scholarly works and non fiction have assisted greatly in re shaping the historiography of antebellum slavery and scholarly historians followed in the wake of these developments Essentially this has meant a re shaping of the historiography with a focus from slavery to that of the enslaved Moreover it has opened new vistas for a public history devoid of top down authoritative scholarship An important and provocative read for students and scholars interested in understanding the history of slavery its harrowing effects and how it was culturally defined
