Uncovering The World Of Bacha Bazi:

The Ugandan Morality Crusade Deborah Kintu, 2017-12-21 In 1999 General Museveni Uganda's autocratic leader ordered police to arrest homosexuals for engaging in behavior that he characterized as un-African and against Biblical teaching. A state-sanctioned campaign of harassment of LGBT people followed. With the approval of sections of Uganda's clergy and with the support of U.S. evangelicals, harsh morality laws were passed against pornography and homosexual acts. The former law disproportionately affected urban women curtailing their freedoms. The latter, known as the 'kill the gays' bill, called for life imprisonment or capital punishment for homosexuals. The author weaves together a series of vignettes that trace the development of Uganda's morality laws amidst Machiavellian politics, religious fundamentalism, and the human rights struggle of LGBT Ugandans.

Imposed Morality Dr. Alena Rada, PhD, 2021-06-01 The book *Imposed Morality* is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality. While other books usually present only one point of view such as medical, psychiatric, psychological, social, or legal, this book presents a total and multidisciplinary view. It also includes a discussion of the present views of homosexuality both in the western countries as compared to some non-western societies which do not seem to take the many important aspects of this practice recently discussed and evaluated by western scientists into consideration and continue to criminalize homosexuality leading to death sentences and executions of gay people or them being stoned publicly to death.

Uwenzi David O. Akombo, Baruti I. Katembo, Kmt G. Shockley, 2015-12-30 *UWENZI: The Pan African Factor* A 21st Century View seeks to facilitate a much needed and provocative 21st century dialogue on optimizing the global linkage, networking and appreciation of African peoples' resources, culture and/or interests, i.e. Pan-Africanism. As a focus point, the book posits and explains the need and rationale for Africa and its Diaspora to become reciprocal resources for each other.

Child Abuse, Child Exploitation, and Criminal Justice Responses Daniel G. Murphy, April G. Rasmussen, 2020-01-08 There are few things in our society that provoke such raw emotions as that of child abuse. Most people justifiably so are outraged when they hear of allegations of abuse and their anger is intensified as they learn of what seems to be an inappropriate criminal justice response. However, the debate on child abuse usually happens through visceral emotions rather than facts. Taking emotions out of a child abuse debate is much easier said than done, but it is of utmost importance to identify the facts. When the reader has a better understanding of the scope of child abuse, they can become more objective but still maintain their passion about ways to protect this vulnerable and targeted population. *Child Abuse, Child Exploitation, and Criminal Justice Responses* is unique in that it offers the reader contributing facts based not only through scholarly research but practical experience working in the field. From this wonderful collaboration of a criminal investigator and a forensic nurse, thus providing much personal insight and demonstrating how these two areas of expertise can join forces to achieve the objective of working as a team to facilitate safeguarding children. The authors also present the research on this complex yet worthy

topic by identifying the unique challenges of investigating these offenses while ultimately bringing the perpetrators to justice and presenting the research from various perspectives of child abuse including both national and international issues and responses
