What The Church Forgot To Remember The Misplaced Priorities:

What the Church Forgot to Remember Peter Triolo Jr.,2012-09-13 Christianity has gone from orthodoxy to evangelical crusades from great demonstrations of miracles to signs and wonders and to the promoting of prosperity in the body of Christ The ideals of honesty and fundamental truths have been replaced by what we think and feel The truth has been reduced to whether or not it is relevant in our society The mindset is if it feels right do it even if it is wrong Moral stability has been replaced by anything goes We have misplaced things important to Christ In What the Church Forgot to Remember author Peter Triolo Jr presents the truth about the how and why of Christianity and provides a reminder to what should be close to our hearts regarding Jesus and His church Through scriptural examples Triolo shows how the truth can be found in the Bible through Gods own words What the Church Forgot to Remember reminds us that before there was time God loved us and that love is everlasting Theres still time to change the fast food mentality of what we want and get back to what God wants

The Communion Connection Relating to Jesus and One Another Peter Triolo Jr.,2015-10-21 When we celebrate communion is there a connection with anyone or anything How do we connect The body of Christ is often spoken as being connected often like how the human body works How many times do we go through the motions and not feeling a connection to anything With Christian communion is much to discover In the Communion Connection you will experience from being a friend to Jesus to the completion of your Faith You will come away with a new perspective on many different avenues of Connecting the Jesus and one another My point for this book is to keep communion uncomplicated simple and complete Communion is about fellowship and connecting with Jesus and one another The most notable aspect of partaking communion is the premise of this book The elements of the bread and cup are symbolic nothing more Within the chapters are aspects of why and how we partake of this tender and loving celebration For the Lord Jesus it was just that It was an emotional moment with His friends as the last day of fellowship prior to the Crucifixion

Scripture On Scripture: The Book of Revelation Jonathan Witt,2016-03-03 Scripture On Scripture The Book of Revelation is a Bible commentary written

to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth *EGO: "Exalt God Only or Edge God Out?"* J. Glenn Linthicum, 2024-07-18 Christian believers are called to exalt God in each decision they make and in the manner in which they safeguard their covenant relationships When His people are obedient to His Word local congregations and interpersonal relationships thrive However when His people intentionally disobey His Word they edge God out and relationships suffer and the witness is diminished Through real life stories and illustrations the author shares examples of the pleasing witness which stands in contrast to the witness that hinders the Gospel There are solutions to slow and even stop the decline and God's Word shows the way *The Epic Life* Timothy Floyd, 2024-09-11 We've had it drummed into our heads that whatever happens in the book of Revelation is either about the imminent future or the ancient past If the past is unfamiliar and the future is unknowable what's the point of even going there Here's the good news Revelation is about you and me and this unsettling moment where we currently find ourselves It explains some of the forces and events that make this twenty first century storm seem so confusing and even frightening You don't need to be a history scholar a futurist or a CIA analyst to decipher the mysterious images of his vision from Patmos This book helps readers carefully navigate and understand the most misunderstood book of the Bible **A New Way of Living** Gene Wilkes, 2012-12-05 You exercise You eat right You make good choices the stairs instead of the elevator You are pursuing wellness Is it possible though that in your pursuit to achieve wellness you are ignoring the one area of your life that needs the most daily exercise Just like physical wellness requires commitment a training regimen good choices and constant pursuit spiritual wellness does too In A New Way of Living you'll discover a practical spiritual training program that can be successfully embraced and followed Using nine simple verses author preacher runner and cyclist Gene Wilkes paints the picture of how to pursue spiritual wellness Using carefully interpreted messages from the Beatitudes you'll have an understanding of the people the characteristics and the promises that Jesus addressed With that understanding Wilkes then helps you develop your simple Beatitude exercise regimen Each chapter in A New Way of Living includes reflection questions as part of a takeaway section as well as a small group discussion guide and three week devotional for digital online use The book also contains photos characteristic of metaphors used in the book as well as other ancillary items **Prophetic Business** H. Beecher Hicks, 2002 This collection of spiritual lectures commemorate the 25th anniversary of Pastor Hicks ministerial service *Life Application Study Bible*
