What We Believe For Teens:

Ellen White for Teens Seth J. Pierce, 2015-07-01 What We Believe Ok so what do you know about Ellen White The question was fairly innocuous a simple query about a historical person posed to a group of teenagers in a Bible class I stood at the front of the room ready to write their responses on the white board What followed was a torrent of wild answers that scarcely seemed to be about the same person or any person for that matter To my great delight the students rewarded me with a biographical sketch that belonged in a game of Mad Libs She hated bread Cheese is poison Stopped breathing during visions She was bazillion year old Wrote a lot of books Didn't like black pepper Didn't like tea She was hit by a rock Seth pierce does it again In Ellen White for Teens he takes a challenging topic and explores it with insight wisdom and humor in a language that teens will understand Topics include the following Did Ellen Ever Make Mistakes What's the Difference Between Her Books and the Bible Are You Gonna Eat That Ellen and Us Seth writes My prayer is that you will become a friend of Ellen's You may find her challenging aggravating beautiful confusing or inspiring or all of these at the same time but that's true of anybody we have a close relationship with Above all I hope you hear a voice that will point you to Jesus Her voice matters and I hope you can begin to hear it in the pages of this book Book jacket **What We Believe for Teens** Seth J. Pierce, 2007 *Teen Voices from the Holy Land* Mahmoud Watad, 2010-10-29 This is a book about hope We really can have peace in the Middle East one day Daniel says it best If children had been in charge of their countries things would not have happened the way they did Children know how to get along with one another despite everything As we pass our world along to the next generation I know they will do better than we have in the peacemaking process HOWARD DEAN Former Governor of Vermont Congratulations to Professors Watad and Grob for compiling the articulate *Teen Voices from the Holy Land* May the decision makers hear them We are inspired by the honesty and the promise of youth These Israeli and Palestinian teenagers share with us a collective dream of human beings resolving our differences no matter how difficult in a civilized manner consistent with the meaning of Holy Land LINCOLN CHAFEE Former US Senator from Rhode Island A peaceful long lasting resolution to the Palestinian Israeli conflict may never be found until both sides learn to see each other not as the enemy but as fellow human beings *Teen Voices from the Holy Land* takes a creative approach toward reaching greater understanding between two peoples who have known little but mutual hostility and suspicion for over fifty years Based on interviews of thirty four Palestinian and Israeli teenagers this uplifting book presents candid first person narratives of their day to day lives These young people describe their ordinary lives including their interests facts about their families friendships and neighborhoods as well as their spiritual concerns and dreams for the future Photographs of the youngsters accompany the narratives and together both picture and story offer a revealing glimpse into the common humanity that Palestinians and Israelis share A striking aspect of these stories is the depth of understanding and the brutal honesty exhibited One teen exclaims If children had been in charge of managing their countries things would not have happened the

way they did Children know how to get along with one another despite everything Another says A person should be loyal to his principles but there s something more important which he has to do He must be ready to criticize his own views Everyone interviewed expresses the hope that they will someday live in peace with others in the region The voices that speak movingly from these pages offer many insights into the perceptions and feelings of young people in this strife torn area of the world They hold out the hope that the shared dream of peace may eventually overcome the differences that now divide the two sides Mahmoud Watad Ph D Salisbury Mills NY is associate professor of management at the College of Business Administration of William Paterson University Leonard Grob Ph D Stony Point NY is professor of philosophy at Fairleigh Dickinson University
