biblical study directly to you as you study God's Word. Chuck's warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: This study Bible was designed with you in mind. As you read the Scriptures, imagine me sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible. Who wrote it and when? What does it mean and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living, for genuine life change. After all, that's why God has communicated His Word to us so that we may become like His Son, Jesus Christ, the central figure of this Book. Free app with purchase. App includes all content from The Swindoll Study Bible and can be used across multiple devices with your Tecarta app account. Available for iOS and Android. Free app applies to print editions only.
