What Your Handwriting Reveals:

What Your Handwriting Reveals Albert E. Hughes, 1978-12-12 **Reading Between the Lines** Emma Bache, 2018-08-30 Handwriting is something of a dying art nowadays as we tap messages to each other day after day But handwriting analysis can divulge everything from a person's timidity to their ambition from their desire to please to their need to control In fact so revealing is your writing that in Japan all CVs are still written by hand Written by the UK's leading handwriting expert Reading Between the Lines will show you how to judge someone's handwriting as a whole and how to examine it in detail Because every aspect of penmanship the height of an h the curliness of a g the pressure of the pen on the paper is a collection of signals that we are giving out without meaning to The way we write can tell the world a huge amount sometimes more than the things we write about Our handwriting exposes how we interact with the world and the people around us and also how we cope with stress and express emotions It can help us make choices for our future showing us what our desires are and even what jobs and partners may suit us best Using real life examples including celebrity samples you will be challenged to put your new found knowledge to the test By the end of the book you will have amassed a wealth of knowledge that will help you understand human nature including your own in all its colours *What Your Handwriting Reveals* Margaret Gullan-Whur, 1984 *Handwriting Analysis* James Greene, David Lewis, 1990 What Your Handwriting Says about You Mike Edelhart, 1979 Provides the reader with basic techniques in handwriting analysis presents samples of famous people to analyze and discusses the use of analysts and analysis throughout history and in the field of crime today
