The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Healing: Faith and Medicine Mark Davis DDS, 2017-10-13 Have you ever wondered why a friend or loved one died Did you pray for healing but the person died God used to heal people The Bible is full of divine healings Is God still in the healing business today If so why didnt he heal our loved one Does believing for a divine healing mean we should just pray and wait Or should we seek medical help also Does God want to heal everyone Or is it like roulette and you pray your number comes up Building on the premise that God is good and his Word is true Healing Faith and Medicine chronicles the life of a medical professional as he navigates insurmountable illnesses Healing Faith and Medicine may not give you all the answers you want but it will reveal how much God loves us how God works in our lives and what is required of us Whether you believe in God or not Healing Faith and Medicine will ask questions that demand an answer You may realize that coincidence could have another name the hand of Almighty God who is moving in our lives

Two Paradigms for Divine Healing Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny

The Spiritual Journey of a Confused Man Lance Dickson, 2010 For God is not the author of confusion but of peace as in all churches of the saints 1 Corinthians 14 33 Yet sometimes we may find ourselves in a confused state of mind not knowing where to turn or what to do This was the state I found myself when I started writing and reading my journal I found that in addition to reading the bible reading my journal brought peace to my heart and direction to my life This is not a substitute to reading the bible It was a means of reinforcing the truths that I already read in the bible I invite any military man on deployment to read this journal any father separated from his children

and any man or woman who feels they may have lost their way I believe God will speak to your spirit as he spoke to mine and led me through some of the toughest situations and circumstances that I have encountered in my life I pray that you come to know God through his word and his still soft voice as you take this journey God Bless **The 'Spiritual Death' of Jesus**

William Atkinson,2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity **What**
