Whatever Happened To Good And Evil:

Whatever Happened to Good and Evil? Russ Shafer-Landau, 2004 This is a brief introduction to ethics with a point of view The book addresses meta ethical questions that go beyond what most introductory ethics books address which are normative theories egoism utilitarianism etc and applied ethics abortion capital punishment etc *A Universe From Someone* 19 Peter S. Williams, 2022-10-27 After a substantial author's preface recounting Peter S Williams's life journey with the question of God's existence *A Universe From Someone* pulls together essays and ongoing speeches from debates including the 2011 God is not a delusion debate at the Cambridge Union that jointly cover a wide variety of theistic arguments Together with a foreword by noted philosopher J P Moreland an annotated bibliography highlighting Four Dozen Key Resources on Apologetics and Natural Theology in an Age of Science and other recommended resources *A Universe From Someone* offers an informed overview of the contemporary case for God **A Good and True Story** Paul M. Gould, 2022-11-15 Young adults today want authentic answers to their soul deep questions about God They want meaningful ways to communicate those answers to others Most of all they want to know that they are living a life that matters In *A Good and True Story* philosopher apologist and international speaker Paul Gould leads readers on an engaging journey through eleven clues that suggest Christianity is not only true but satisfies our deepest longings This creative foray into the foundations of Christian truth explores the universe morality happiness pain beauty and more for readers looking for culturally informed apologetics Ideal for college age and twentysomething readers small group leaders and anyone interested in the intersection of faith philosophy and culture *A Good and True Story* reminds readers that their search for identity and purpose is a gift from a loving and purposeful God **The Good, the Right, and the Real: Is Value a Fact?** David Baggett, Professor of Philosophy/Scholar in Residence Jerry L Walls, 2025-09-03 The book argues for a strongly objective understanding of ethics Positive arguments in its favor are discussed and anticipated objections are answered Alternatives to objectivist views of ethics are considered at length Among such views include that all moral claims are false that no moral sentences express truth claims and that moral judgments derive their truth from the preferences or sentiments of human beings Having argued for a strongly objectivist understanding of morality the case is made that God deserves to be taken seriously as a contender for its best explanation *Philosophical Approaches to Demonology* Benjamin W. McCraw, Robert Arp, 2017-03-31 In contradistinction to the many monographs and edited volumes devoted to historical cultural or theological treatments of demonology this collection features newly written papers by philosophers and other scholars engaged specifically in philosophical argument debate and dialogue involving ideas and topics in demonology The contributors to the volume approach the subject from the perspective of the broadest areas of Western philosophy namely metaphysics epistemology logic and moral philosophy The collection also features a plurality of religious cultural and theological views on the nature of demons from both Eastern and Western thought in addition to views that may diverge from these traditional

roots Philosophical Approaches to Demonology will be of interest to philosophers of religion theologians and scholars working in philosophical theology and demonology as well as historians cultural anthropologists and sociologists interested more broadly in the concept of demons Classic Questions and Contemporary Film Dean A. Kowalski,2015-08-24 Featuring significant revisions and updates Classic Questions and Contemporary Film An Introduction to Philosophy 2nd Edition uses popular movies as a highly accessible framework for introducing key philosophical concepts Explores 28 films with 18 new to this edition including *Eternal Sunshine of the Spotless Mind* *Hotel Rwanda* *V for Vendetta* and *Memento* Discusses numerous philosophical issues not covered in the first edition including a new chapter covering issues of personal identity the meaningfulness of life and death and existentialism Offers a rich pedagogical framework comprised of key classic readings chapter learning outcomes jargon free argument analysis critical thinking and trivia questions a glossary of terms and textboxes with notes on the movies discussed Revised to be even more accessible to beginning philosophers

Introducing Ethics Justin P. McBrayer, Peter J. Markie, 2014 Introducing Ethics A Critical Thinking Approach with Readings combines guiding commentary and questions with a rich selection of concise carefully edited and accessible readings on ethical theory and contemporary moral issues This unique introduction shows students how to do philosophy by first analyzing texts identifying ethical positions and the arguments that support them and then evaluating the truth of those positions and the soundness of the arguments In doing so it provides students with a uniquely engaging introduction to ethics that also hones their critical thinking skills FEATURES A unique Unit 1 gives students the conceptual tools to do philosophy with coverage of logic arguments moral reasoning and reading and writing philosophy Extensive coverage of the three main areas of ethics metaethics normative ethics and applied ethics addresses issues often ignored by other texts including ethics vs science moral responsibility moral vs legal issues torture terrorism and more Unit and chapter introductions outline major themes and issues and explain why they matter Reading questions precede the essays and focus students studying on key points while discussion questions follow the readings and help students move into the evaluation phase Argument Reconstruction Exercises after each reading provide practice in identifying the premises and conclusions in the essays An Instructor's Manual with Test Bank on CD is available to adopters A Companion Website at www.oup.com/us/mcbrayer provides all the material contained on the CD along with student resources **Theatre Symposium, Vol. 15** M. Scott Phillips, 2007-09-23 The essays gathered together in Volume 15 of the annual journal *Theatre Symposium* investigate how historically the theatre has been perceived both as a source of moral anxiety and as an instrument of moral and social reform Essays consider among other subjects ethnographic depictions of the savage other in Buffalo Bill's engagement at the Columbian Exposition of 1893 the so called Moral Reform Melodrama in the nineteenth century charity theatricals and the ways they negotiated standards of middle class respectability the figure of the courtesan as a barometer of late nineteenth and early twentieth century moral and sexual discourse Aphra Behn's subversion of Restoration patriarchal sexual norms in

The Feigned Courtesans and the controversy surrounding one production of Tony Kushner Angels in America during which officials at one of the nation's more prominent liberal arts colleges attempted to censor the production a chilling reminder that academic and artistic freedom cannot be taken for granted in today's polarized moral and political atmosphere

Moral Choices Scott Rae, 2018-10-16 Outlining the distinctive elements of Christian ethics Moral Choices is the standard text for college ethics courses Moral questions are at the core of life's most vital issues But today we see a breaking down of humanity's ability to distinguish between right and wrong After describing a seven step procedure for thinking through ethical dilemmas author Scott Rae uses case studies to address some of today's most challenging ethical and social issues He guides students in thinking critically and biblically about issues including Abortion Euthanasia Capital Punishment Sexual Ethics War Technologies including reproductive and genetic Ethics and Economics Creation Care and Animal Rights Gun Control Race Gender and Diversity Immigration Refugees and Border Control This book also introduces other ethical systems and their key historical proponents including Plato Aristotle Augustine Thomas Aquinas and Immanuel Kant With its unique union of theory and application and its well organized easy to use design the fourth edition of Moral Choices also offers extensive updates revisions and three brand new chapters all designed to help students develop a sound and current basis for making ethical decisions in today's complex postmodern culture FEATURES Relevant Case Studies throughout Discussion questions at the end of each chapter Sidebars with case studies for discussion Recommended further reading **Popular**

Culture and the Political Values of Neoliberalism George A. Gonzalez, 2019-02-01 Reality is made up of the Absolute and Causality The absolute most saliently philosophized about by Georg Hegel is where normative values inhere Causality can be described as the measurable effects of the normative values of the absolute and the laws of physics also ostensibly a product of the absolute Humans are special insofar as they access the higher aspects of the Absolute altruism compassion love humor science engineering etc The Absolute also contains what can be considered the less attractive values or impulses greed lust for power hate self centeredness conceit etc Predicating society on what I deem the lower spirits aspects of the absolute most prominently greed results in personal social dysfunction and ultimately the end of civilization Conversely a society based on justice is stable and vibrant Justice is a classless society free of gender and ethnic biases My argument is based on popular culture especially the Star Trek franchise One implication of my thesis is that capitalist values generate psychological neurosis and societal instability even catastrophe Additionally the political values that dominate the current neoliberalist world system and especially the American government are the other the will to power resulting in war and global political instability Popular culture is germane to philosophy and contemporary politics because television movie creators frequently try to attract viewers by conveying authentic philosophical and political motifs Conversely viewers seek out authentic movies and television shows This is in contrast to opinion surveys for instance as the formation of the data begins with the surveyor seeking to directly solicit an opinion however impromptu or shallow **Knowing Christ Today**

Dallas Willard,2009-05-26 At a time when popular atheism books are talking about the irrationality of believing in God Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus the Son Stepping Stones to Christianity Peter S. Williams,2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author s Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus

Apologetics in 3D Peter S. Williams,2021-09-03 This collection of papers and other materials from English philosopher Peter S Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality Grounded in two decades of practical experience here is a vision of apologetics that s interested in communicating through beauty and goodness as well as logic and arguments **Tell Them About My Love** Milly McDaniel,2016-10-12 Have you ever had trouble with the idea of the angry God of the Bible Have you ever heard an echo from long ago whispering in your heart You are loved you are Mine and there is none other like you Within the pages of this complex yet beautifully simplistic book you will find answers to many of the questions you have had about life and its meaning and why the key to it all is and always has been Love According to the Bible God IS Love and Jesus says that there are only two groups of people walking the planet the good trees the wheat the children born of Love born of His Father and the bad trees the tares the offspring of darkness and evil The line of demarcation between these two groups is not intellectual decision but the innate ability to love and receive love and you will know each group by the fruit that they bear towards their fellow man Join Milly McDaniel for this decidedly non religious view of life on the planet in this created dimension of time and space Come along on the whimsically delightful journey through the Bible to discover things you may never have seen before as you return to your childlike heart The map of God s plan has been in plain view the whole time but we could not see the forest through the trees or through the religious haze The secret keys and hidden treasures of the Kingdom of Heaven have been cleverly tucked away in front of our faces just waiting for His children of Light to find Most likely you will be challenged as it is probably not what you have been taught or is it Jesus said This is my commandment that ye love one another as I have loved you **The Weakness of God** John D. Caputo,2020-03-20 The author of What Would Jesus Deconstruct makes a bold attempt to reconfigure the terms of debate around the topic of divine omnipotence Choice Applying an ever more radical hermeneutics including Husserlian and Heideggerian phenomenology Derridian deconstruction and feminism John D Caputo breaks down the name of God in this irrepressible book Instead of looking at God as merely a name Caputo views it as an event or what the name conjures or promises in the future For Caputo the event exposes God as weak unstable and barely functional While

this view of God flies in the face of most religions and philosophies it also puts up a serious challenge to fundamental tenets of theology and ontology Along the way Caputo s readings of the New Testament especially of Paul s view of the Kingdom of God help to support the weak force theory This penetrating work cuts to the core of issues and questions What is the nature of God What is the nature of being What is the relationship between God and being What is the meaning of forgiveness faith piety or transcendence that define the terrain of contemporary philosophy of religion Caputo comes out of the closet as a theologian in this work Catherine Keller Drew University Caputo has a gift for explaining Continental philosophy s jargon succinctly and accurately and despite technical and foreign terms this book will engage upper level undergraduates Includes scriptural and general indexes Highly recommended Choice Under the Cover of Darkness , Sense and Goodness Without God Richard Carrier,2005-02-23 If God does not exist then what does Is there good and evil and should we care How do we know what s true anyway And can we make any sense of this universe or our own lives Sense and Goodness answers all these questions in lavish detail without complex jargon A complete worldview is presented and defended covering every subject from knowledge to art from metaphysics to morality from theology to politics Topics include free will the nature of the universe the meaning of life and much more arguing from scientific evidence that there is only a physical natural world without gods or spirits but that we can still live a life of love meaning and joy The Heliotropium Jeremias Drexel,1863

Good Things to Do Rüdiger Bittner,2023 Rüdiger Bittner argues that the aim of thinking about what to do of practical reason is to find not what we ought to do but what it is good to do under the circumstances Neither under prudence nor under morality are there things we ought to do There is no warrant for the idea of our being required by natural law or by our rationality to do either what helps us attain our ends or what is right for moral reasons While common moral understanding is committed to there being things we ought to do and to our being guilty and deserving blame if we fail to do them we can lay aside these notions without loss indeed with benefit The volume also explains what it is for something to be good to do under the circumstances and argues for understanding practical reason in these terms What is good to do we find by experience what we go through teaches us what helps and what hinders and helps us figure out what is prudentially useful and what is morally right to do although ultimately this difference itself gives way and morality turns out to be a part of prudence **God Is More Than A Good Idea** Michael Alex McDonald,2011-08-17 In addition to being an author Michael McDonald is an ordained minister and a licensed professional counselor in private practice with his wife and partner Rebecca Besides counseling people who have both mental health and substance abuse problems Michael and Rebecca present creative Christian programs using magical illusions clowning and ventriloquism In God Is More Than a Good Idea Michael describes how to allow God to be more than a rational belief in your life I m excited about the book he says because Jesus proved by his every word and action that he was God in the flesh He simply did everything right What was his reward for loving us We tortured and killed him What was his response to our hatred He prayed from the cross Father forgive them

because they don't know what they are doing I don't know about you but that's the kind of God I want to know The book covers a lot of ground with Michael sharing many of his own personal experiences as he talks about how you can become God's friend What's the point he asks if God is only a good idea What good is a God who isn't there and doesn't care The good news is that God came to planet Earth to help us find love and peace in a world filled with trouble
