enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bibles meant but also how it speaks powerfully today

Through Brandon Maurizio,2021-06-09 Have you ever experienced something challenging in your life Was that moment so excruciating that you tried everything in your power to avoid feeling the pain it caused you You my friend are not alone Two things that every human being on planet Earth have in common are twenty four hours in a day and experiencing hard times in life We as humans are professionals at avoiding pain right We get consumed with work hobbies travel and just about anything else to distract and numb the pain that we encounter from simply going through day to day life Through is a book that s all about beginning the healing process Whether your heart is broken from a breakup devastated from the loss of a loved one discouraged due to being released from a job or just plain hopeless pain is pain Rather than learning how to live with that pain and accepting it as a normality it s time to boldly confront it accept it for what it is and start to mend Life is a beautiful thing and you deserve to believe that Instead of going around the hurt you will learn that the only way to experience true and lasting healing is by going through it It s messy it s painful it s unpredictable but it s worth it rough is a book that was birthed out of pain rough is a message that came out of a mess Whether you re currently facing pain or want to prepare yourself for the inevitability of its happening Through is for you
