Weekly, 1907 *The Stratified Leadership Model of the First-Century Christian Church* Barton S. Garratt

Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design **Becoming a Blessed Church** N. Graham

Standish, 2016-05-08 Pastor and author N Graham Standish describes how a church that is open to God's purpose presence and power can claim God's blessing Standish shares the story of Calvin Presbyterian Church in Zelienople Pennsylvania and its journey to become a spiritually deep congregation one that is inwardly and outwardly healthy spiritually psychologically physically and relationally Becoming a Blessed Church will help you discern God's purpose and the path God is calling your congregation to walk This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation This second edition includes three new practical chapters that answer the questions the author is most frequently asked how to effectively run a group discernment practice how to create an effective small group program and how to set a church vision in a new direction that actually works *Colossians* David J.

Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous

interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey **KJV, Thompson Chain-Reference Bible**
