Beginnings Squire Rushnell, 2009 Looks at the ways God offers encouragement and opportunity through so called

coincidences The Godwink Effect SQuire Rushnell,Louise DuArt,2017-07-04 From the authors of the popular and bestselling Godwink series comes a new and inspiring collection of true stories about people whose lives were changed by specific and extraordinary answers to their prayers Prayer is a universal act that anyone can participate in Simply stated prayer is a conversation between you and God and oftentimes brings incredible and astonishing results The outcomes are called answered prayers Yet with no alternative word in the English language for answered prayer readers have begun to fill the void with Godwink which is now making its way into dictionaries In The Godwink Effect SQuire and Louise husband and wife make the case that Godwinks and prayer are inextricably intertwined The first of seven secrets for more Godwinks is to pray Moreover when a Godwink occurs like a pebble tossed into a pond there are subsequent ripples that touch the lives of others Typical of all Godwink books this volume will be packed with amazing real life stories about ordinary people as well as some well known figures that reinforce the power of prayer in their lives and the Godwinks that followed *When GOD Winks on Love* SQuire Rushnell,2007-04-11 Draws on the premise that coincidences are messages from a higher power sharing personal and celebrity stories while instructing readers on how to map unexpected events and recognize other spiritual signs in order to enrich personal relationships **When God Winks on Love** Squire D Rushnell,2001-01-01 When God Winks on Love affirms a belief held by most readers there is something more to coincidences than meets the eye especially in affairs of the heart **When God Winks on New Beginnings** Squire Rushnell,2009-04-14 The best is yet to be GodWinks are the so called circumstances and that are delivered directly to you one of nearly seven billion people on the planet at particularly needed moments in your life Like the wink you received from a loved one as a child that meant Hey kid I m thinking of you right now GodWinks are messages of encouragement from above With more incredible but true stories about how God communicates with us through everyday circumstances SQuire Rushnell delivers another powerful book geared toward people at a crossroads in life a time when these winks are most needed **God Winks** Brenda L.S. Wehner,2020-09-21 God WINKS By Brenda L S Wehner God WINKS illustrates that if you listen carefully and watch closely you may recognize when God is taking action in your everyday life What is first thought to be a coincidence once the dots are connected may be revealed as the good Lord above talking with us guiding us via God winks This book is a compilation of sweet short stories that illustrate how God interacts with us It is hoped that this book inspires others to see the everyday miracles that are happening for them when God winks Perhaps these stories will inspire readers to walk with others to guide them to likewise connect their dots and see the winks at work Or best of all this book may prompt the reader to share with each other with others with nonbelievers with all their own personal experiences of these nudges pushes body tackles yells and winks that God sends via the Holy Spirit to compel us in His desires to act to give to be to share to give to go to stop to love and to be like Jesus **Godwink Christmas Stories** SQuire Rushnell,Louise DuArt,2018-10-23 New York Times bestselling author SQuire Rushnell and his wife Louise DuArt share 21 brand new and 9 classic true life stories of

extraordinary Godwinks at Christmastime proving that what some thought was coincidence wasn't coincidence at all but a supernatural hotline from God. Think back to when you were a kid and someone you loved gave you a little wink across the dining room table like Mom or Dad or Grandma. You didn't say, "What do you mean by that?" You knew. It meant, "Hey kid, I'm proud of you." That's what a Godwink is: a message of reassurance from above directly to you out of seven billion people on the planet saying, "Hey kid, I have you on my mind right now. I love you. You're never alone." A Godwink can be an unexpected connection to someone you love, a mysterious pathway to a life-changing opportunity, unanticipated income out of the blue, or an answered prayer that makes you say, "wow." Godwinks let you know that God is always extending you a tangible connection to Him like a firm handrail on dark wobbly stairs. Now just in time for the holiday season comes *Godwinks Christmas Stories*, a collection of astonishing true life stories centered around Christmas that demonstrate how God has shown Himself in the lives of others. He'll do the same for you.

Husband and wife authors SQuire Rushnell and Louise DuArt remind you that Godwinks are like wondrous gifts left on your doorstep. Their aim with this book is to help you open the door and open your gifts of hope and encouragement.

God Winks David M Arnold, 2025-01-02 *God Winks Recognizing Divine Signals in Everyday Life* explores the subtle ways God communicates His will and presence in our daily experiences. The concept of God Winks refers to those small, often unnoticed moments when God aligns events, sends encouragement, or provides guidance, offering glimpses of His intimate involvement in our lives. Drawing from scripture and real-life examples, this book helps readers cultivate an awareness of these divine signals, emphasizing the importance of faith, prayer, and mindfulness in recognizing God's hand at work. Throughout the book, readers will learn how to discern divine appointments, trust in God's timing, and see His presence not only in moments of joy but also in trials and challenges. The power of gratitude and the significance of sharing personal stories of God's interventions are also highlighted as essential elements in living a life attuned to God's voice. With key scriptures from the King James Bible, *God Winks* inspires readers to deepen their relationship with God, remain open to His guidance, and respond to His call with obedience. By recognizing these winks, readers are encouraged to embrace a life full of purpose, peace, and joy, knowing that God is always working behind the scenes for their good.

Pray Without Ceasing Robin P. Currie, 2019-01-10 *Pray Without Ceasing* is a philosophy filled with original concepts that will keep you moving in one direction: forward. Whether you want insights on science, religion, spirituality, history, or something else, altogether you'll find novel and practical approaches to experiencing growth in life, love, and spirituality in this collection of essays and Godwinks. In addition to sharing her own insights, the author examines the ideas of Jesus Christ, Buddha, Albert Einstein, Saint Paul, Carl Jung, Mother Earth, and God. There is no limit to where these ideas and your own will take you. Throughout the book, you'll consider questions such as: Why have so many people been taught to fear God? Why do we pray, and why should we pray? Why do we struggle with trusting others? The author also examines topics such as yoga, meditation, exposure to toxic beliefs, the role of personal boundaries, and more. Weaved throughout the book are prayers of
