When Digital Isn't Real Fact Finding Offline For Serious Writers:

When Digital Isn't Real Marlene B. Samuels, Ph.d., 2013-07-22 Do you think all the information you need can be found online Think again Not all the facts you need to ensure accuracy in your writing is online And even information that's made its way online may not be all that accurate The magnitude of online information accessed at lightening fast speed has eroded our beliefs in the importance of hard copy references Worse too many writers are losing their research skills In order to conduct non digital research writers need the skills to identify data sources but moreover knowing how and where to find them then deciding which ones to use is both critical and daunting Every writer who cares about the accuracy of his or her written work needs this book
