When Do I See God? Jeff Inlo,2010-02-26 Death is not the end of existence for Steven Drilach After his body is crushed in a flood he finds himself in the afterlife but his surroundings are stark and empty He maintains his memories and his identity but the spiritual existence appears to lack the purpose and clarity he always hoped to find Despite his confusion he consents to the assistance of a guide He is shown the connections between the physical world and the spirit plane and he discovers the importance of acceptance As he journeys back to earth he encounters lost souls and through their experiences he learns to face his own personal doubts and to remove the barriers which separate him from God **Between a Rock and a Hard**

Place Tony Evans,2010-10-01 You know the story God told Abraham he would become a great nation Then he told him to sacrifice his own and only son Isaac Abraham obeyed God and was about to kill Isaac when God intervened This is a classic between a rock and a hard place situation So how was Abraham able to obey in the face of losing it all Or to bring it closer to home what would you have done In this powerful book Tony Evans reveals what to do when your love for God is tested According to Evans When you don t know God or when you either forget or dismiss what is true about Him then you don t know how to respond Moving through passages in both the Old and New Testaments Evans makes a powerful case for obedient living as the key to an abundant life **Finding Truth in the Tempest: A Devotional Journal for Women**

Faythelma Bechtel,2021-08-03 As we walk through dark times in our lives we all need a way of finding truth in the tempest Whether we are asking Why the Tempest or struggling when life doesn t make sense God s Word is sufficient to answer all of our questions Faythelma Bechtel knows the tempest but she also knows the One Who calms the storm After losing two daughters and her husband Faythelma has clung tighter to her Savior and longs to help others who are struggling to find peace in their own storms This devotional journal is not meant to be read as a daily plan and instead offers meditations on Scripture to help for your unique circumstance **Disobedient God** Albert Tate,2023-04-25 In this powerful guidebook the lead pastor of Fellowship Church demonstrates how the moments that test our faith are the moments God uses to direct our hearts to the one thing we truly desire most a relationship with Christ When the people of Israel those who had witnessed the most abundant and inexplicable acts of God grew tired of waiting for Moses to come off the mountain they made a calf of gold It was easier for them to make a new god than to continue serving a God that didn t conform to their schedule and

expectations Just like the Israelites in the desert we are all fundamentally longing for God but who and what are we actually reaching for and serving Disobedient God addresses the things we do when we feel ignored inconvenienced and frustrated by God What things are we reaching for in our life Are we reaching for porn when we long for intimacy Reaching for success when we long for security We would never say that we have replaced God but our actions tell a different story Whether we are trying to replace God trying to run away or trying to perform for Him we have no mindset to deal with a disobedient God Disobedient God is a book for people dealing with this disappointment and interested in properly understanding and loving the God they've misunderstood This is not a step by step instruction manual for how to react when things are difficult rather it is a way of understanding God that leads people to discover the relationship with God that they were always meant for

Living with the Father Mary A. Wood, 2011-07-28 Adoption has had a stigma in many societies throughout history Our own society is no different Many people don't like the idea of adoption because they believe they could never love a child that was not their biological child like they would love their own The ones who do venture out and adopt children often face difficult trials with those children because the child feels abandoned though they have new parents who love them God is the giver of children no matter how they are obtained He is the one who orchestrates the events to match up parents and children It was the case in Queen Esther's life She was orphaned at a very young age and then adopted by her older cousin Mordecai Mordecai loved Esther like his own daughter He was a devout Jew and loved God He instilled in Esther an unwavering faith in God and an uncompromising set of values that stood the test of the highest position a woman could have in the whole kingdom Esther didn't spend her early womanhood feeling sorry for herself because she was orphaned or adopted She trusted God and was obedient to her cousin adopted father Since I have had the pleasure and the pain that accompanies adoption I better understand my own adoption into my heavenly Father's family Adoption is a beautiful experience It opens your heart up for more love than you ever thought possible It's not without its trials and questions but then neither is motherhood by biological birth giving I experienced both I have had trials and questions about what God was doing in both cases Never the less opening your heart to any child is a beautiful thing Esther had a beautiful submissive spirit She never questioned Mordecai's role in her life She was obedient to him As the story unfolds in the book of Esther you see that Esther either grasped the big picture or was willing to trust that her father knew what he was talking about and trusted God for the outcome Because of that God used her mightily and the whole Jewish nation was spared When I reflect on the adoption experience I have watched a beautiful woman emerge That has taught me

about the beauty that God wants to bring out in me as His adopted daughter Fire and Rain: The Wild-Hearted Faith of Elijah Ray Pritchard, The founder of Keep Believing Ministries and host of the radio show Ask Pastor Ray relates the highs and lows of the prophet Elijah's life to the 21st century believer delivering a character study that inspires modern Christians to seize the day for God. Elijah was as much human as anyone else yet he proved to be a true hero of the faith. The intimate study urges Christians to be passionate in their lives and faith by asking the recurring question: How much am I willing to risk to become all that God wants me to be **Jump Start Your Day** William Rollings, 2006-06 With our busy and hectic

schedules we often rush out the door without gaining the fuel needed to make it through the day. Start your day with a positive outlook and great attitude. Learn practical tips on how to successfully face the common situations of everyday life including how to get the most out of your job, reduce financial debt, seek great friendships, properly handle success, avoid compromise, overcome challenges, plan for your future, and overcome physical burnout, bitterness, jealousy, and anger. Each lesson is contemporary, practical, and easy to read. Every lesson is organized by an interactive 3 A's approach: Ask, Answer, and Act. As we face the daily challenges of life, we normally ask questions to gain insight concerning how to properly deal with our situation. Next, we expect to receive answers which provide us with practical insight and advice. Lastly, we act upon the advice received if we expect to fully succeed in our situation. This devotional challenges readers to seek God's advice concerning their daily opportunities and obstacles. Readers will be inspired and motivated each morning to take charge of their day with confidence and strive for successful living The Awe of God Bible Study Guide plus Streaming Video John

Bevere, 2023-03-07 Is the desire of your heart to be close to God? Do you long for an intimate relationship with your Creator but He seems elusive? Perhaps it's because something essential is missing in your life: the fear of the Lord. Don't let this frighten you. Fearing God is very different than being afraid of God. It's the key to everything. Holy Fear is not a topic you'll hear much about these days, but if you want to build a faith that stands strong through troubled times, you cannot afford to ignore it. In this six-session video Bible study, streaming code included, bestselling author John Bevere explores more than forty promises in Scripture given to those who embrace holy fear: rewards such as holiness, wisdom, legacy, confidence, happiness, and security. He invites you to take a fresh look at what it means to work out your salvation with fear and trembling. And he shows how approaching God in this way allows you to discover the deeper relationship with the Lord that your soul longs for and that He desires to have with you. This study guide has everything you need for a full Bible study experience, including: The study guide itself with discussion and reflection questions, video notes, and a leader's guide.
