RSPB Seabirds Marianne Taylor,2016-07-28 A lavish celebration of the seabirds of the British Isles Seabirds are the living links between land air and sea They enjoy a freedom that even humans with all our technological assistance can barely imagine Many species travel mind boggling distances across the length and breadth of our planet before returning to land to breed in large deafening and confusingly crowded colonies Yet within this commotion each mated pair forms a bond of extreme closeness and tenderness that survives separation each winter and may persist for decades The long and geologically varied coastline of the British Isles provides homes for internationally important numbers of breeding seabirds Visiting their colonies is always unforgettable whether they are cliff faces packed with Guillemots islands white capped by clustered Gannets on their nests flat beaches crowded with screaming Arctic Terns or seaside rooftops overlaid with a second townscape of nesting gulls The changing fortunes of these seabird cities reveal to us the health of the vast unseen but incredibly rich marine world that surrounds us RSPB Seabirds showcases some of our most exciting and enigmatic bird species as vital and living components of one of our greatest natural assets our coastline The author presents detailed biographies of all the seabird species that breed in and around the British Isles and also looks at the many species that breed elsewhere but which regularly or occasionally visit British waters Every page of this sumptuous book features beautiful photographs of wild seabirds engaged in their daily work of hunting travelling protecting themselves and their territories courting and raising a family

The Puffin Mike P. Harris,Sarah Wanless,2011-11-21 A comprehensive monograph on the Atlantic Puffin With its colourful beak and fast whirring flight this is the most recognisable and popular of all North Atlantic seabirds Puffins spend most of the year at sea but for a few months of the year they come to shore nesting in burrows on steep cliffs or on inaccessible islands Awe inspiring numbers of these birds can sometimes be seen bobbing on the sea or flying in vast wheels over the colony bringing fish in their beaks back to the chicks However the species has declined sharply over the last decade this is due to a collapse in fish stocks caused by overfishing and global warming combined with an exponential increase in Pipefish which can kill the chicks The Puffin is a revised and expanded second edition of Poyser's 1984 title on these endearing birds widely considered to be a Poyser classic It includes sections on their affinities nesting and incubation movements foraging ecology survivorship predation and research methodology particular attention is paid to conservation with the species considered an important indicator of the health of our coasts

New Generation Guide to the Birds of Britain and Europe Christopher M. Perrins,David Attenborough,Norman Arlott,1987-01-01 Identifies 429 species describes the life physical structure and behavior of birds and discusses breeding feeding migration nests eggs and territories

Creative Bird Photography Bill Coster,2011-01-15 This beautifully illustrated inspirational guide to bird photography is packed with practical advice for how to photograph birds presented in an informative but

accessible writing style Creative Bird Photography offers a fresh approach to its subject looking closely at how to photograph specific aspects of birds lives such as eating and drinking courtship and flight The author gives examples demonstrating particular points and approaches for taking great shots of all of these daily bird activities as well as taking mood photographs at dawn and dusk Each shot is accompanied by detailed technical data information about locations and advice about other challenges that will need to be surmounted in order to achieve the perfect shot Coster also shares fascinating anecdotes about his encounters with the birds featured There are also up to date sections on bird photography basics including equipment and storage of digital images

The Birds of British Columbia Robert Wayne Campbell, Neil K. Dawe, British Columbia. Wildlife Branch, Canadian Wildlife Service, Ian McTaggart-Cowan, 1997-06-01 This volume completes the nonpasserine species and contains accounts for the diurnal birds of prey through woodpeckers
