Bewitched Walter Metz, 2007-01-18 A study of the sitcom Bewitched that examines its entire run to discover the show's numerous interlocking themes tensions and innovations The classic situation comedy Bewitched chronicled the everyday lives of Samantha a witch and Darrin Stephens her mortal husband dramatizing the often humorous troubles caused by their mixed marriage For much of its eight year run Bewitched enjoyed strong popularity because of its broad appeal A parade of magical characters animals special effects and gimmickry used to portray witchcraft ensured that the series appealed strongly to children while its domestic tensions feminist undertones and hints at gay and lesbian subculture grabbed the attention of adult viewers Bewitched also participated in industrial innovations like the shift from black and white to color television production and found itself caught in the political shift from Lyndon Johnson's Great Society to Richard Nixon's staunch conservatism With all of these factors in mind Walter Metz considers the series an important touchstone in 1960s and 1970s culture Previous academic criticism on Bewitched only considers a handful of episodes This book considers the

Bewitched series as a whole demonstrating that the show can look very different depending upon which of its episodes are being examined Metz draws several interlocking themes from the series including the political identity conflicts that arise from the Stephens marriage the significance of history raised by characters popping in and out of the past the postwar surveillance culture represented by the fear of discovery of Samantha's secret and the show's self-reflexive stance toward television itself In addition Metz situates Bewitched in television history examining the ways that its production techniques storylines and characters both borrowed from the past and contributed their own innovations to the medium A cult favorite that continues to air regularly more than forty years after it first premiered Bewitched has claimed a prominent place in television history Scholars of film and television studies along with fans of the show will appreciate Metz's careful look at the show's appeal and the serious issues raised by this beloved and deceptively simple sitcom

There Is Nothing Like a Thane! Clive Francis, 2025-09-23 There is Nothing Like a Thane is a follow up to Clive Francis's highly successful There is Nothing Like a Dane The Lighter Side of Hamlet Thane is a hilarious compilation of unintentional funny moments from a variety of productions of Macbeth interwoven with Francis's witty caricatures It also delves into the many superstitions which have dogged the play since 1603 making it possibly the unluckiest play ever written We hear of how some actors fared better than others when playing the role of the Thane If Ralph Richardson's was the worst Peter O Toole's was certainly the funniest Olivier was deemed the greatest John Gielgud the most successful and Charles Laughton the silliest We also hear from Orson Welles David Garrick Charles Dickens and William McGonagall who refused to die for fear of upsetting his audience Not to be outdone we shall hear from a number of Lady Macbeths as well including Sybil Thorndike who'd pray every night in the wings so as to ward away evil spirits This is a book for all those who love the theater especially the Bard
