

Un Viaje A La Cultura Open

Frank Dominguez, James S. Noblitt

Un Viaje A La Cultura Open:

Las nuevas fuentes de información José Cerdón García, Julio Alonso Arévalo, Raquel Gómez Díaz, Araceli García Rodríguez, 2016-10-20 El siglo XXI se está caracterizando por una progresiva influencia de los contenidos digitales y por una porosidad cada vez mayor entre el universo electrónico y el real. Vivimos en un mundo de pantallas: la del ordenador, la del móvil, las de los e-reader, las de las tabletas cuyo fundamento es la información y aquellos que sepan buscarla, manejarla, gestionarla, aprovecharla e interpretarla estarán en mejores condiciones para afrontar los retos personales, laborales y sociales de un mundo conectado y globalizado. Las competencias y habilidades en el uso de la información digital forman parte de cualquier currículum formativo. Así lo entienden las autoridades educativas tanto a nivel internacional como nacional, estableciendo estándares obligatorios para su desarrollo. Igualmente la práctica laboral o el desempeño de puestos de trabajo de muy diversa índole nos enfrentan a necesidades informativas que es preciso satisfacer para incrementar el rendimiento y la eficiencia. Incluso las actividades más lúdicas como las relacionadas con el uso de las redes sociales están impregnadas de un sustrato informativo cuyo conocimiento favorece un aprovechamiento óptimo. La respuesta a estas necesidades pasa por un conocimiento adecuado de las distintas fuentes de información existentes. Estas fuentes han ido asimilando los cambios que los procesos de comunicación han experimentado con el desarrollo de la tecnología. Libros electrónicos, revistas electrónicas, repositorios, enciclopedias, bases de datos, bibliográficas, fuentes de información terminológicas, software libre, sistemas de sindicación de contenidos, gestores de referencia, social networks, índices de citas, sistemas de búsqueda para la acreditación y reputación online, etc., constituyen un elenco de fuentes nuevas o renovadas diseñadas para favorecer la asimilación de las competencias digitales que exige la sociedad del conocimiento. Cont. Un viaje a la Argentina Manuel Menacho Peirón, 1911

Cubanthropy Iván de la Nuez, 2023-11-07 Cuban art critic and curator Iván de la Nuez explores the effects of the policies that have tried to constrain or liberate Cuba in recent decades in these sparkling essays of cultural criticism. Essays on Cuba and the Cuban diaspora, on racism and Big Data, Guantánamo and Reggaeton, soccer and baseball, Obama and the Rolling Stones, Europe and Donald Trump. de la Nuez approaches his criticism with singularity of purpose. In *Cubanthropy* he does not set out to explain Cuba to the world but rather to put the world into a Cuban context. Nothing explains our vexed world quite like Cuba and no one anywhere writes more brilliantly, more prophetically, more impossibly than Iván de la Nuez. As in all of his finest work, *Cubanthropy* delivers you beyond your old horizons into a realm of startling possibilities. Do not miss this extraordinary book or this extraordinary warlock of a writer. Junot Díaz author of *This Is How You Lose Her*. *Cubanthropy* may just be the smartest writing on Cuba and beyond I've read in ages. Insightful, unsparing, funny and with an unerring eye for the paradoxical. Iván de la Nuez has written the definitive compilation on 21st century Cuba. Essential reading for all who care about how the past, present and future are disturbingly converging on the island and off. Cristina García author of forthcoming *Vanishing Maps*. ... **Cultura cubana** Adolfo Dollero, 1916 **Vacation Study Abroad**, 1971 **Qué pasa**

,2007 **Vacations Abroad** ,1971 **The Dissidence of Reinaldo Arenas** Sandro R. Barros,Rafael Ocasio,Angela L. Willis,2022-02-22 Focusing on the didactic nature of the work of Reinaldo Arenas this book demonstrates the Cuban writer's influence as public pedagogue mentor and social activist whose teaching on resistance to normative ideologies resonates in societies past present and future

Voluntary Organizations in the Chinese Diaspora Khun Eng Kuah-Pearce,Evelyn Du-Dehart,2006-02-01 Do Chinese voluntary organizations continue to have a role in modern societies enmeshed in a globalizing world that questions continuation of the nation state and ethnic identity This book argues that Chinese voluntary organizations continue to play a significant role in both the established and new Chinese communities in the Diaspora They are able to do so because of their ability to transform their organizational structure and functions At the same time they are able to reinvent their own images to suit their co ethnic community and the wider polity The uniqueness of this volume lies in its integration of historical and contemporary approaches to the study of traditional Chinese voluntary organizations in the Diaspora The chapters explore how the Chinese voluntary organizations continue to fulfil the needs of the Chinese community in different parts of the world and do this by both localizing and globalizing their functions and roles in the countries where they have established roots The contributors cover traditional Chinese voluntary organizations from Asia to Australia North America and Europe examining not only their activities in established Chinese communities such as Singapore and Malaysia but also in the new emerging Chinese communities in Canada and Eastern Europe This allows the readers to compare and contrast the voluntary organizations across countries and across time Readership for this book includes scholars and students of Chinese Studies Asian Studies Anthropology Sociology Diaspora Studies History Social Organizations and the general educated Chinese population

Jennifer Lopez Patricia J. Duncan,1999-08-15 A biography of Jennifer Lopez whose determination has led her to a successful career as an actress and a singer El Instituto Hispano-Árabe de Cultura Hernando de Larramendi H. de Larramendi,Irene González González,Bernabé López García,2015

Expression in the Performing Arts Inma Álvarez,Héctor J. Pérez,Francisca Pérez-Carreño,2010-02-19 The performing arts represent a significant part of the artistic production in our culture Correspondingly the fields of drama film music opera dance and performance studies are expanding However these arts remain an underexplored territory for aesthetics and the philosophy of art Expression in the Performing Arts tries to contribute to this area The volume collects essays written by international scholars who address a variety of themes concerning the core philosophical topic of expression in the theory of the performing arts Specific questions about the ontology of art the nature of the performances the role of the performer and the relations between spectators and works emerge from the study of the performing arts Besides these arts challenge the unchanging physicality of other kinds of works of art usually the direct result of creative individual artist and barely affected by the particular circumstances of their exhibition Expression is one of the issues that adopt a special character in the performing arts Do singers dancers or actors express the feelings a work is expressive of How does the performer contribute

to the expressive content of the work How does the spectator emotionally respond to the physical proximity of the performers Is aesthetic distance avoided in the understanding of the performing arts How are the expressive properties of work performance and characters related And how are the subjectivities they embody revealed The contributions presented here are not all in agreement on the right answers to these questions but they offer a critical and exciting discussion of them In addition to original proposals on the theoretical aspect of expression in the performing arts the collection includes analyses of individual artists historical productions and concrete works of art as well as reflections on performative practice *Made in Puerto Rico* Hugo R. Viera-Vargas, Noraliz Ruiz-Caraballo, Errol L. Montes-Pizarro, Jaime O. Bofill-Calero, Noel Allende-Goitía, 2024-10-01 *Made in Puerto Rico* Studies in Popular Music serves as a comprehensive introduction to the history culture and musicology of 20th and 21st century popular music in Puerto Rico The essays in this volume written by both local experts and leading scholars contextualize under researched areas of Puerto Rican popular music making in relation to ideologies aesthetics and symbolism and propose new ways of thinking about Puerto Rican musical cultures A groundbreaking introduction to Puerto Rican musical culture the volume covers the major figures styles and social contexts of popular music in Puerto Rico while also going beyond conventional narratives Rather than simply providing histories of key genres these insightful essays focus on the ways in which Puerto Rican musicians reimagine their distinctive musical language as it transmutes from local practices into global expressions Offering both a survey of Puerto Rican popular music and pathways into deeper critical inquiry *Made in Puerto Rico* is an essential resource for scholars and students of music and of Puerto Rican Caribbean Latin American and African Diaspora Studies *Fidel between the Lines* Laura-Zoë Humphreys, 2019-10-25 In *Fidel between the Lines* Laura Zo Humphreys traces the changing dynamics of criticism and censorship in late socialist Cuba through a focus on cinema Following the collapse of the Soviet Union the Cuban state strategically relaxed censorship attempting to contain dissent by giving it an outlet in the arts Along with this shift foreign funding and digital technologies gave filmmakers more freedom to criticize the state than ever before yet these openings also exacerbated the political paranoia that has long shaped the Cuban public sphere Drawing on ethnographic fieldwork textual analysis and archival research Humphreys shows how Cuban filmmakers have historically turned to allegory to communicate an ambivalent relationship to the Revolution and how such efforts came up against new forms of suspicion in the 1990s and the twenty first century Offering insights that extend beyond Cuba Humphreys reveals what happens to public debate when freedom of expression can no longer be distinguished from complicity while demonstrating the ways in which combining anthropology with film studies can shed light on cinema s broader social and political import *Potosí in the Global Silver Age (16th—19th Centuries)*, 2023-03-06 The open access publication of this book has been made possible thanks to the International Institute of Social History Amsterdam Potos today Bolivia was the major supplier for the Spanish Empire and for the world and still today boasts the world s single richest silver deposit This book explores the political economy of silver

production and circulation illuminating a vital chapter in the history of global capitalism It travels through geology sacred spaces and technical knowledge in the first section environmental history and labor in the second section silver flows the heterogeneous world of mining producers and their agency in the third and some of the local regional and global impacts of Potos mining in the fourth section The main focus is on the establishment of a complex infrastructure at the site its major changes over time and the new human and environmental landscape that emerged for the production of one of the world s major commodities silver Eleven authors from different countries present their most recent research based on years of archival research providing the readers with cutting edge scholarship Contributors are Julio Aguilar James Almeida Rossana Barrag n Romano Mariano A Bonialian Th r se Bouysse Cassagne Kris Lane Tristan Platt Ren e Raphael Masaki Sato Heidi V Scott and Paula C Zagalsky

Pura vida Norma Lopez-Burton, Marques Pascual, Pardo Ballester, 2019-11-26 In *Pura vida* Life is good Spanish is more than vocabulary and grammar just as Spanish speaking cultures are more than products and practices In this learner centered introductory program the authors commitment to a methodology based on true to life experiences brings Spanish to life *Pura vida* is the discovery of a Spanish speaking world through the experiences of real people who share anecdotes and reflections on those experiences Students relate to these people and make deeper more meaningful connections between language and culture and acquire Spanish with an unparalleled sense of personal engagement In this 12 chapter introductory program students don t only learn Spanish for real life but also from real life They discover that there is not just one homogeneous Hispanic culture but rather that each Spanish speaking country has its own rich unique culture and that the people who live in these countries speak one common language with different accents characteristics and idiosyncrasies The program offers truly seamless integration of cultural notions and language instruction and features 100% contextualized and personalized activities

Cours de Vacances À L'étranger, 1964 **Four visions** Museo Soumaya, 2005 A major homage of four exhibitions in four museums in Mexico City The single catalogue documents all four exhibitions In chronological order the exhibitions are Collection of Carlos Monsiv is that includes work in and outside of Mexico Retrospective vision Geography of an Illustrator on illustrated books magazines and other works by Covarrubias This exhibition includes much of his international work in the U S including items on his work on Bali and African American culture the last two exhibitions were held at the same venue propose new approaches to the study of Covarrubias El Chamaco and other famous Mexicans presented his caricatures of figures from Mexican life and culture The exhibition Y lotl Bali Y lotl Tehuantepec offered a vision of Covarrubias as archaeologist A great reference with many detailed essays Provided by vendor

Système-D 4.0 Frank Dominguez, James S. Noblitt, 2004-06 The SYSTÈME D WRITING ASSISTANT Software program provides learners with rapid access to language reference materials *Encuentro de la cultura cubana*, 1999
