

The background of the book cover is a photograph of a large, arched concrete tunnel. The tunnel's interior is brightly lit, with light streaming in from the far end, creating a strong lens flare effect. The concrete walls of the tunnel are visible, showing some texture and a vertical seam. In the center of the tunnel, four people are standing with their backs to the camera, looking towards the bright light at the exit. They are silhouetted against the bright background. The overall mood is one of hope and liberation.
