Magill,1976 Attitudes and characteristics of campers reached by two Federal campsite reservation programs in experimental use during the summer of 1973 were surveyed Most campers strongly favored reservations but preferred that one company sell reservations to all government campgrounds Questionnaire responses indicated need for a systematic procedure for referring campers to vacant campsites along with a more effective program of information on the reservation systems A majority of campers were satisfied to get their first choice of campground but a few also wanted freedom to choose their campsite The typical camper was a well educated high income professional or manager with considerable camping experience His job allowed him to plan his camping trips in advance and he preferred to do so though often he planned less than 5 weeks ahead The Network Manager's Handbook, Third Edition John M. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
