Architect A good outline The book is an excellent outline to learn the necessary items required to study for the exam It is not
a comprehensive study guide in and of itself Practice exam is good indicator of test preparation Paul Levine Solid LEED

which is so important when school is a distant memory The bulk of the book helps you review and memorize with mnemonics
the concepts for each credit that you need to know for the exam The questions are good representations of questions on the
exam I would recommend to anyone studying for their exam that they First read the chapters in this book on how to study

Underline and review as the author indicates to get the most out of your study time Finally read the rest of this exam guide to
help you review and memorize for the exam missfitz missfitz Very Helpful Guide Gang Chen s LEED BD C Exam Guides very
