Redeeming The Time Daryl Poe, 2024-10-08 The Church s immutable mission is to intentionally share Christ s kingdom The believer s divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God s CLEAR Path Forward biblically examines Christ s transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ s servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward **Growing in Discipleship** Navigators (Religious organization), 2006-06 This concise easy to follow study will provide insight and encouragement to help you grow as a true disciple of Christ by learning to share the blessings you ve received from God **Subject Guide to Books in Print** , 1996 **Walking with God in the Twenty-First Century** Martin L. in the Twenty First Century examines the prospects of a devout Christian walking with God today and it addresses a number of questions that all Christians must consider Is Gods desire to walk with a devout Christian in the twenty first century an illusion What does it mean to walk with God What are the major challenges to practicing Christianity in this century How is the devil operating undercover to prevent believers from walking with God Can a Christian realistically live a life fully devoted to God in the twenty first century Are there any provisions for a committed believer to practice Christianity in this church age Pastors church leaders theology students and Christians of all stripes should consider these new challenges and seek out Gods answers In this way we can be equipped to walk with God in the most corrupt of environments becoming a true disciple of Christ with a deepened commitment to obey his commandments **The Next Wave** David Wraight,2008 In a world of increasing loneliness and isolation David Wraight president of Youth for Christ International believes an unprecedented kingdom harvest is imminent At the forefront young people with a passion for reaching out to others and making a positive difference The Next Wave will inspire readers of all ages to encourage and support the emerging generation bright dedicated young people who will impact the planet for Christ *God's Family Leader's Guide Edition* Churches Alive, Inc.
