War On The Saints Original And Unabridged 1912 Edition Annotated:

Pentecostals and Nonviolence Paul Alexander, 2012-11-09 Pentecostals and Nonviolence explores how a distinctly Pentecostal charismatic peace witness might be reinvigorated and sustained in the twenty first century To do so the book examines the nature of the early Pentecostal commitment to nonviolence and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole Ranging from theology testimony and pastoral ministry to interchurch relations activism and protest this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive and often neglected contributions from the Pentecostal charismatic tradition The Publishers Weekly ,1919 *The Publishers' Circular and Booksellers' Record* ,1925 New York Times Saturday Review of Books and Art ,1969 **The New York Times Review of Books** ,1969 *AB Bookman's Weekly* ,1986 **Alphabetical Arrangement of Main Entries from the Shelf List** Union Theological Seminary (New York, N.Y.). prospect of them but much more so in the combat were it not for the rich provision God hath made and the evidence he hath that the battle is not his but the Lord s Hence a discovery and explanation of every part of that provision must be very acceptable to the awakened sensible sinner To such I am happy to recommend Gurnall as one who appears to have been divinely assisted for that purpose for whatever may be the situation of the humble follower of the Lamb however varied and numerous his enemies he will find a suitable piece of armour in the use of which victory is sure to be declared in his favor Though it ought to be remembered that as there is nothing to secure the back to flee from the enemy is always attended with danger and has proved awfully fatal to many see Matth xiii 20 22 Reader whoever thou art of whatever name is of no consequence for names and parties must be entirely lost in the experimental teachings of the divine spirit which is sufficient to satisfy me that the animosities that have been promoted in contending about them are not only a proof of the infirmities of human nature and the darkness of the mind but that they have been the weapons by which Satan has failed many and used to great advantage against the church in order to take off their attention from those matters that relate more immediately to the life of God in the soul with which if you are acquainted you will have much pleasure and I have no doubt much profit in viewing the Christian in complete armour You will as in a glass see your own features let your present feelings be what they may About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
