**Marcel H. Van Herpen**

## **War And Peace In The Caucasus Russias Troubled Frontier:**

*War and Peace in the Caucasus* Vicken Cheterian, 2011-03-12 After the collapse of the Soviet Union the Caucasus was wracked by ethnic and separatist violence as the peoples of the region struggled for self determination Vicken Cheterian who spent many years as a reporter and analyst covering the region s conflicts asks why nationalism emerged as a dominant political current and why of the many nationalist movements that emerged some led to violence while others did not He explains also why minority rebellions were victorious against larger armies in mountainous Karabakh Abkhazia and in the first war of Chechnya and discusses the ongoing instability and armed resistance in the North Caucasus He concludes his book by examining chapters the great power competition between Russia the US and the EU over the oil and gas resources of the Caspian region

Conflict Areas in the Caucasus and Central Asia Arda Özkan, Gökçürk Tüysüzoglu, 2022-01-25 The Caucasus region and Central Asia covers a large part of the Eurasian Both regions where Russia and China have a serious influence and visibility also have a location that reflects the hegemonic expectations of both these actors In this context domestic political developments and even internal conflicts in the region can be linked to the policies of Russia and China to a certain extent and have the potential to affect the motives of these two powers Although Central Asia is rich in natural resources it is landlocked and has lagged other nations in terms of agricultural production and industrial development Although the Caucasus is divided into the North the territory of Russia and the South where three independent states are located it is insufficient in terms of production and development The Caucasus stands out especially with energy projects and its feature of being a commercial corridor

*The Caucasus Under Soviet Rule* Alex Marshall, 2010-09-13 The Caucasus is a strategically and economically important region in contemporary global affairs This book provides the first comprehensive study of the impact of Soviet policy on the Caucasus focusing in particular on the period from 1917 to 1955 It argues that understanding the Soviet legacy in the region remains critical to analysing both the new states of the Transcaucasus and the autonomous territories of the North Caucasus

Putin's Wars Marcel H. Van Herpen, 2024-01-03 The third edition of this acclaimed book offers a systematic analysis of Putin s three wars placing the Second Chechen War the war with Georgia of 2008 and the current war with Ukraine in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin s wars have been prepared and conducted and why they have led to allegations of war crimes and genocide He shows how the conflicts have attempted to consolidate and legitimate Putin s regime and explores how they are connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin s regime this study digs deep into the Kremlin s secret long term strategies Readable and clearly argued it makes a compelling case that Putin s regime emulates an established Russian paradigm in

which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin s contemporary policies Van Herpen s work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

*Understanding Ethnopolitical Conflict* E. Souleimanov,2013-07-08 This book critically evaluates the growing body of theoretical literature on ethnic conflict and civil war using empirical data from three major South Caucasian conflicts evaluating the relative strengths and weaknesses of the available methodological approaches International Law and the Reconceptualization of Territorial Boundaries Joshua Castellino,2024-10-28 This book critically analyzes the state based regime of international law eliciting its colonial and decolonial origins and proposing a new sub regional basis for dealing with contemporary global challenges Since 1648 public international law has taken many steps to maintain peace and establish a just order The State is deemed central to each of these efforts Yet modern challenges such as environmental mitigation mass migration and the need to stimulate economic growth overwhelm the State Could a regional approach to these questions achieved in conjunction with strong sub national local governance establish a more effective framework for systemic change Drawing on a history of colonization and decolonization while scrutinizing decisions made about the imposition of the State on the basis of colonial boundaries this multidisciplinary work analyses why current challenges are unlikely to be adequately addressed through existing governance structures In response it advocates for a sub regional transnational approach drawing on analyses of pre colonial shared histories and contemporary population ethnographies unfettered by hegemonic boundary drawing The book argues that collaboration across such frontiers in the face of climate and other challenges may offer more feasible approaches to the pursuit of peace than the unquestioned maintenance of state based structures of inherited privilege This book will appeal to scholars and others with interests in international law international relations and international politics as well as in the history and politics of colonialism The Criminal-Terror Nexus in Chechnya Jeff Meyers,2017-04-12 The line between criminal and terrorist groups is often blurred and Chechen groups are an excellent example of this new phenomenon As the Soviet Union collapsed groups began to fill the cracks offering services that the state could not The Chechens were one group that outrivaled many groups and they soon became synonymous throughout the Russian Federation with criminal This work looks into the historical social and religious reasons behind the rise of militant Islam in the region From there it will discuss the historical difference between organized crime and terror how the two have coalesced into the crime terror nexus and how the Chechens compare to two other groups that have gone through the same evolution The Sicilian mafia and the militant Islamic Movement of Uzbekistan or IMU Though neither group are exactly the same there are links that can help the reader understand the domestic and foreign problems that twenty first century nation states deal with throughout the world **The Colour Revolutions in the Former Soviet Republics** Donnacha Ó Beacháin,Abel Polese,2010-07-12 During the first decade of the 21st century a remarkable

phenomenon swept through the former Soviet Union changing the political social and cultural landscape Popularly known as the Colour Revolutions these non violent protests overthrew autocratic regimes in three post soviet republics the Georgian Rose Revolution 2003 the Ukrainian Orange Revolution 2004 and the Kyrgyzstani Tulip Revolution 2005 This book examines the significance of these regime change processes for the post soviet world in particular and for global politics in the 21st century Engaging comprehensively with the former Soviet republics the contributors to this book ask why there wasn't a revolution in a post Soviet republic such as Russia despite apparently favourable conditions They also explore the circumstances that ensured some post soviet countries underwent a successful colour revolution whilst others did not Identifying the conditions for successful colour revolutions this book asks whether there is a revolutionary blueprint that may be exported to other areas around the world that are under autocratic rule Carefully considering the ideologies of the post Soviet ruling regimes this book demonstrates the manner by which political elites integrated nationalism authoritarianism and populism into public debates It analyzes the diverse anti regime movements discussing the factors that led to the rise of such factions and outlining how these opposition groups were constituted and operated In addition it assesses the impact of external forces including the influence of the USA the EU and Russia By examining the colour revolution phenomenon in its entirety this book marks a significant contribution to both our micro and macro understanding of this tide of transformation

*Encyclopedia of Stateless Nations* James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood's *Encyclopedia of the Stateless Nations* Ethnic and National Groups around the World that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons

*Media, Democracy and Freedom* Marta Dyczok, Oksana Viktorovna Gaman-Golutvina, 2009 This book does what few other works have done it examines the role media have played in the larger political economic and social transformations in the

post communist space An international group of scholars from various disciplines explore the complex relations between media society and the state in this region over the past twenty years and present theoretical arguments that challenge dominant views They scrutinize changes in the public sphere as well as the media itself its role format agenda and quality in the context of changing values and shifting power relationships

**Beyond Crimea** Agnia Grigas,2016-01-01 How will Russia redraw post Soviet borders In the wake of recent Russian expansionism political risk expert Agnia Grigas illustrates how for more than two decades Moscow has consistently used its compatriots in bordering nations for its territorial ambitions Demonstrating how this policy has been implemented in Ukraine and Georgia Grigas provides cutting edge analysis of the nature of Vladimir Putin s foreign policy and compatriot protection to warn that Moldova Kazakhstan the Baltic States and others are also at risk

**Paramilitarism** Ugur Ümit Üngör,2020-07-03 From the deserts of Sudan to the jungles of Colombia and from the streets of Belfast to the mountains of Kurdistan paramilitaries have appeared in violent conflicts in very different settings Paramilitaries are generally depicted as irregular armed organizations that carry out acts of violence against civilians on behalf of a state In doing so they undermine the state s monopoly of legitimate violence while at the same time creating a breeding ground for criminal activities Why do governments with functioning police forces and armies use paramilitary groups This study tackles this question through the prism of the interpenetration of paramilitaries and the state The author interprets paramilitarism as the ability of the state to successfully outsource mass political violence against civilians that transforms and traumatizes societies It analyses how paramilitarism can be understood in global context and how paramilitarism is connected to transformations of warfare and state society relations By comparing a broad range of cases it looks at how paramilitarism has made a profound impact in a large number of countries that were different but nevertheless shared a history of pro government militia activity A thorough understanding of paramilitarism can clarify the direction and intensity of violence in wartime and peacetime The volume examines the issues of international involvement institutional support organized crime party politics and personal ties

**Territorial Disputes and Conflict Management** Rongxing Guo,2012-01-25 This book examines the problems of boundary demarcation and its impact on territorial disputes and offers techniques to manage and resolve the resulting conflicts Historically most civil conflicts and internal wars have been directly related to boundary or territorial disputes Cross border discord directly affects the sustenance and welfare of local populations often resulting in disease impoverishment and environmental damage as well as creating refugees Although the impact of territorial disputes is great they can often be settled through bilateral and sometimes multilateral agreements or international arbitration This book sets out to probe into the problems of existing techniques on boundary demarcation and to test their possible impacts on boundary and territorial disputes Various factors and their influences on cross border tensions are tested either qualitatively or quantitatively After close examination of dozens of the most significant cases the book presents various alternative solutions to the achievement of cross border cooperation in disputed territories An art of

avoiding war is included within the book comprising six key schemes and five negotiating techniques The comparative advantages costs and benefits of each of these is analyzed and evaluated This book will help guide practitioners in territorial disputes and will be of interest to students of conflict management international security peace and conflict studies political violence and IR in general      *Secessionist Entities and International Law* Benedikt C. Harzl,2025-03-20 This book examines secessionist entities that arose during and after the dissolution process of the USSR and considers them as legal subjects in their own right By employing a novel and more innovative approach the agency of these subjects otherwise often ignored or disregarded is taken into account Drawing on the cases of the South Caucasus the author suggests going beyond the binary concept of statehood and traditional notions of sovereignty He advocates embracing an inclusive reading of international law which enables to foster creative ambiguity vis vis these entities as means of conflict transformation      *Open Wounds* Vicken Cheterian,2015-09-16 The assassination of the author Hrant Dink in Istanbul in 2007 a high profile advocate of Turkish Armenian reconciliation reignited the debate in Turkey on the annihilation of the Ottoman Armenians Many Turks soon re awakened to their Armenian heritage reflecting on how their grandparents were forcibly Islamised and Turkified and the suffering their families endured to keep their stories secret There was public debate around Armenian property confiscated by the Turkish state and the extermination of the minorities At last the silence had been broken *Open Wounds* explains how after the First World War the new Turkish Republic forcibly erased the memory of the atrocities and traces of Armenians from their historic lands a process to which the international community turned a blind eye The price for this amnesia was Vicken Cheterian argues a century of genocide Turkish intellectuals acknowledge the price society must pay collectively to forget such traumatic events and that Turkey cannot solve its recurrent conflicts with its minorities like the Kurds today nor have an open and democratic society without addressing the original sin on which the state was founded the Armenian Genocide      **The Neighborhood Effect** Anna Ohanyan,2022-08-23 Why are certain regions of the world mired in conflict And how did some regions in Eurasia emerge from the Cold War as peaceful and resilient Why do conflicts ignite in Bosnia Donbas and Damascus once on the peripheries of mighty empires yet other postimperial peripheries like the Baltics or Central Europe enjoy quiet stability Anna Ohanyan argues for the salience of the neighborhood effect the complex regional connectivity among ethnic religious communities that can form resilient regions In an account of Eurasian regional formation that stretches back long before the nation state Ohanyan refutes the notion that stable regions are the luxury of prosperous stable democratic states She examines case studies from regions once on the fringes of the Habsburg Ottoman and Russian Empires to find the often overlooked patterns of bonding and bridging or clustering and isolation of political power and social resources that are associated with regional resilience or fracture in those regions today With comparative examples from Latin America and Africa *The Neighborhood Effect* offers a new explanation for the conflicts we are likely to see emerge as the unipolar US led order dissolves making the fractures in regional neighborhoods painfully evident And it points the way to

the future of peacebuilding making space for the smaller links and connections that comprise a stable neighborhood

Blood Revenge in Irregular Warfare Roberto Colombo, Emil Souleimanov, 2023-03-15 This book offers an original assessment of the ways in which the sociocultural code of blood revenge and its modern remnants shape irregular warfare. Despite being a common driver of communal violence, blood revenge has received little attention from scholars. With many civil wars and insurgencies occurring in areas where the custom lingers, strengthening our understanding of blood revenge is essential for discerning how conflicts change and evolve. Drawing upon extensive multidisciplinary evidence, this book is the first in the literature on civil war and insurgency to analyse the impact of blood revenge and its modern remnants on irregular warfare. Even when blood revenge undergoes erosion, its unregulated version still shapes the social fabric of insurgency, although in different ways than its institutionalised counterpart. At times of political instability, the presence of a culture of retaliation weighs heavily on the dynamics of violent mobilisation, target selection, recruitment, and disengagement. This book brings in evidence from dozens of conflicts, providing unprecedented insights into how a better understanding of blood revenge can improve military blueprints for irregular warfare. This book will be of much interest to students of insurgency, terrorism, military and strategic studies, anthropology and sociology, as well as to decision makers and irregular warfare professionals.

Opportunity, Identity, and Resources in Ethnic Mobilization Ahmed Abdel-Hafez Fawaz, 2017-06-15 Recent unrest and political upheaval in Iraq and Georgia have brought attention to the place of minority populations in both countries. Using Iraqi Kurds and the Abkhaz of Georgia as case studies, this book addresses how ethnic identities become politicized across boundaries by states and political entrepreneurs, leading to mobilization of ethnic populations. This book bridges Middle Eastern studies with Post-Soviet studies, exploring the commonalities of cases in these regions to draw out patterns in cases of ethnic mobilization. It also provides a theoretical

framework to examine the process of ethnic mobilization Building on this theoretical framework the book provides a detailed empirical analysis of the case studies of the Kurds in Iraq and the Abkhaz in Georgia Analysis of both cases shows several common variables in cases of ethnic mobilization including ethnic entrepreneurs political opportunity structure ethnic identity politicization and resource mobilization These variables form the environment in which ethnic mobilization occurs motivated by such factors as state policy towards ethnic groups and external intervention to support ethnic groups War and the Cultural Turn Jeremy Black,2013-05-08 In this stimulating new text renowned military historian Jeremy Black unpacks the concept of culture as a descriptive and analytical approach to the history of warfare Black takes the reader through the limits and prospects of culture as a tool for analyzing war while also demonstrating the necessity of maintaining the context of alternative analytical matrices such as technology Black sets out his unique approach to culture and warfare without making his paradigm into a straightjacket He goes on to demonstrate the flexibility of his argument through a series of case studies which include the contexts of rationale Gloire strategy early modern Britain organizations the modern West and ideologies the Cold War These case studies drive home the point at the core of the book culture is not a bumper sticker it is a survival mechanism Culture is not immutable it is adaptable Wide ranging international and always provocative War and the Cultural Turn will be required reading for all students of military history and security studies

### **War And Peace In The Caucasus Russias Troubled Frontier Introduction**

In today's digital age, the availability of War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing War And Peace In The Caucasus Russias Troubled Frontier versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing War And Peace In The Caucasus Russias Troubled Frontier books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for War And Peace In The Caucasus Russias Troubled Frontier books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of War And Peace In The Caucasus Russias Troubled Frontier books and manuals for download and embark on your journey of knowledge?

### **FAQs About War And Peace In The Caucasus Russias Troubled Frontier Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. War And Peace In The Caucasus Russias Troubled Frontier is one of the best book in our library for free trial. We provide copy of War And Peace In The Caucasus Russias Troubled Frontier in digital format, so the resources that you find are reliable. There are also many Ebooks of related with War And Peace In The Caucasus Russias Troubled Frontier. Where to download War And Peace In The Caucasus Russias Troubled Frontier online for free? Are you looking for War And Peace In The Caucasus Russias Troubled

Frontier PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another War And Peace In The Caucasus Russias Troubled Frontier. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of War And Peace In The Caucasus Russias Troubled Frontier are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with War And Peace In The Caucasus Russias Troubled Frontier. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with War And Peace In The Caucasus Russias Troubled Frontier To get started finding War And Peace In The Caucasus Russias Troubled Frontier, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with War And Peace In The Caucasus Russias Troubled Frontier So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading War And Peace In The Caucasus Russias Troubled Frontier. Maybe you have knowledge that, people have search numerous times for their favorite readings like this War And Peace In The Caucasus Russias Troubled Frontier, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. War And Peace In The Caucasus Russias Troubled Frontier is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, War And Peace In The Caucasus Russias Troubled Frontier is universally compatible with any devices to read.
