Susan Shumsky

Warrior King Of Shambhala Remembering Chogyam Trungpa:

Warrior-King of Shambhala Jeremy Hayward, 2008 Ch gyam Trungpa was born in Tibet and strictly trained in the manner traditional for re incarnations of great teachers At the age of 19 he led 300 people over the Himalayas to India in a dramatic escape recounted in his autobiography Born in Tibet Over the following 30 years Trungpa became one of the foremost pioneers of Tibetan Buddhism in the West He was also a highly controversial figure considered by many to be one of the greatest Buddhist teachers ever to come to the west and viewed with suspicion by others He taught in a style that went altogether beyond conventional ideas of what a holy man should be like dressing in ordinary western clothes drinking and taking sexual consorts He taught in English with a direct and penetrating voice that drew to him many intelligent young students These memoirs tell the story of the author Jeremy Hayward a close student and friend of Trungpa Rinpoche who became a senior teacher and administrator in the organizations Rinpoche established This intimate chronological account opens with Hayward s first meeting with Trungpa Rinpoche in 1970 and progresses year by year until Rinpoche s death and beyond Each chapter year includes some discussion of the teachings that Rinpoche was presenting at that time as well as the context and atmosphere in which these teachings occurred and the evolution of the society and organizations which he inspired The book should be of interest to all students of Buddhism as well as others interested in the evolution of Buddhism in the west and possibly other seekers on the spiritual path

Basic Sobriety: Shambhala Buddhism and the Twelve Steps Eric Rainbeau, 2018-05-07 Can the Shambhala Buddhist Path of the Four Dignities be a tool for recovery Can the tools and teachings of Shambhala work with the Twelve Step recovery principles to overcome that seeming hopeless state of mind and body Understanding our own basic goodness we can face the world free from addiction without doubt or fear to engage the world helping others break the cocoons of addiction

Inner Peace - Global Impact Kathryn Goldman Schuyler, 2012-11-01 INNER PEACE GLOBAL IMPACT describes underlying principles of Tibetan wisdom traditions relevant for successful leadership in the 21st century as well as Tibetan teachers whose entrepreneurial actions were critical to the development of Tibetan Buddhism in the West With first person narratives personal stories scholarly research and commentaries by noted social scientists this book is written for everyone who wants ideas to revitalize leadership It is rich with vivid pictures of deep personal experience Long time Western Tibetan Buddhist practitioners describe how their practice has influenced them in fields as diverse as scientific research social work art dance and university teaching The Dalai Lama is seen through the eyes of his long time friend eminent author Huston Smith as well as through the experiences of Thupten Jinpa his 25 year English translator Sogyal Rinpoche shares his vision for transforming traditional ways of studying while Lama Tharchin Rinpoche a 10th generation Tibetan yogi reflects on the challenges of teaching in a Western culture where perspectives differ so vastly from those of Tibet With insights from Tibetan lamas and Western thought leaders including Peter Senge Bill George and Margaret Wheatley this book creates new visions for leadership and the workplace

Maharishi & Me Susan Shumsky, 2018-02-13 Susan Shumsky is a successful author in the human potential field. But in the 1970s in India, the Swiss Alps and elsewhere she served on the personal staff of the most famous guru of the 20th century Maharishi Mahesh Yogi. Maharishi died in 2008 at age ninety, but his influence endures through the spiritual movement he founded, TM Transcendental Meditation. Other books have been written about him, but this spellbinding page-turner offers a rare insider's view of life with the guru, including the time the Beatles studied at his feet in Rishikesh, India, and wrote dozens of songs under his influence. Both inspirational and disturbing, *Maharishi and Me* illuminates Susan's two decades living in Maharishi's ashrams, where she grew from a painfully shy teenage seeker into a spiritually aware teacher and author. It features behind-the-scenes myth-busting stories and over 100 photos of Maharishi and his celebrity disciples: the Beatles, Deepak Chopra, Mia Farrow, Beach Boys, and many more. Susan's candid, honest portrayal draws back the curtain on her shattering, extreme emotional seesaws of heaven and hell at her guru's hands. This compelling, haunting memoir will continue to challenge readers long after they turn its last page. It dismantles all previous beliefs about the spiritual path and how spiritual masters are supposed to behave. Susan shares: "Merely by being in his presence, we disciples entered an utterly timeless place and rapturous feeling, and at the same time realized the utter futility and insanity of the mundane world." Susan's heartfelt masterwork blends her experiences, exacting research, artistically descriptive and humorous writing, emotional intelligence, and intensely personal inner exploration into a feast for thought and contemplation. Neither starry-eyed nor antagonistic, it captures from a balanced viewpoint the essence of life in an ashram.

Teaching Mindfulness Donald McCown, Diane K. Reibel, Marc S. Micozzi, 2010-03-10 The applications and use of mindfulness-based interventions in medicine, mental health care, and education have been expanding as rapidly as the empirical evidence base that is validating and recommending them. This growth has created a powerful demand for professionals who can effectively deliver these interventions and for the training of new professionals who can enter the fold. Ironically, while the scientific literature on mindfulness has surged, little attention has been paid to the critical who and how of mindfulness pedagogy. *Teaching Mindfulness* is the first in-depth treatment of the person and skills of the mindfulness teacher. It is intended as a practical guide to the landscape of teaching to help those with a new or growing interest in mindfulness-based interventions to develop both the personal authenticity and the practical know-how that can make teaching mindfulness a highly rewarding and effective way of working with others. The detail of theory and praxis it contains can also help seasoned mindfulness practitioners and teachers to articulate and understand more clearly their own pedagogical approaches. Engagingly written and enriched with vignettes from actual classes and individual sessions, this unique volume places the current mindfulness-based interventions in their cultural and historical context to help clarify language use and the integration of Eastern and Western spiritual and secular traditions. Offers a highly relational understanding of mindfulness practice that supports moment-by-moment work with groups and individuals. Provides guidance and materials for a highly experiential exploration.

of the reader's personal practice embodiment and application of mindfulness Describes in detail the four essential skill sets of the mindfulness teacher p Proposes a comprehensive systematic model of the intentions of teaching mindfulness as they are revealed in the mindfulness based interventions Includes sample scripts for a wide range of mindfulness practices and an extensive resource section for continued personal and career development Essential for today's practitioners and teachers of mindfulness based interventions Teaching Mindfulness A Practical Guide for Clinicians and Educators brings this increasingly important discipline into clearer focus opening dialogue for physicians clinical and health psychologists clinical social workers marriage and family therapists professional counselors nurses occupational therapists physical therapists pastoral counselors spiritual directors life coaches organizational development professionals and teachers and professionals in higher education in short everyone with an interest in helping others find their way into the benefits of the present moment

The Door to Satisfaction Thubten Zopa, 2014-05-01 In Door to Satisfaction Lama Zopa Rinpoche reveals a text he discovered in a cave in the Himalayas that captures the essential point of Buddhist training Rinpoche says Only when I read this text did I come to know what the practice of Dharma really means Without proper motivation it does not matter what we do Whether reciting prayers meditating or enduring great hardships if our actions are devoid of good intention they will not become Dharma practice Proper motivation transcends our ordinary ephemeral desires and ultimately seeks the happiness of all living beings In your life says Rinpoche there is nothing to do other than to work for others to cherish others There is nothing more important in your life than this This powerful simple message applies to Buddhists and non Buddhists alike we all have the power to unlock our greatest potential Open this book and open the door to a timeless path leading to wisdom and joy

Daily Doses of Wisdom Josh Bartok, 2013-08-19 Daily Doses of Wisdom draws on the richness of Buddhist writings to offer a spiritual cornucopia that will illuminate and inspire day after day year after year Sources span a spectrum from ancient sages to modern teachers from monks to laypeople from East to West from poetry to prose Each page and each new day reveals another gem carefully selected from the entire list of titles published by Wisdom *Tricycle*, 2007

Chögyam Trungpa Fabrice Midal, 2004 His work was unique in its emphasis on a secular rather than religious approach to spirituality Among the practices that he encouraged his students to undertake were calligraphy flower arranging Japanese archery tea ceremony dance theater health care psychotherapy poetry elocution and translation His establishment of centers communities and innovative educational institutions was also part of the flowering of a new culture of Buddhism in the West He founded Naropa University in Boulder Colorado Shambhala Training and Vajradhatu an international association of meditation centers now called Shambhala International This biography presents a wealth of anecdotes from Trungpa's life excerpts from unpublished talks reminiscences by those closest to him and facts from the archive that preserves his legacy all making the book a treasure chest of insights not found in any other book published so far **BOOK JACKET** **Joyce in the**

Belly of the Big Truck; Workbook Joyce A. Cascio, 2005-05 **Chogyam Trungpa** Fabrice Midal, 2012-05-22 Ch gyam

Trungpa is virtually synonymous with the transmission of Tibetan Buddhism to the West. Over the course of his seventeen year teaching career in North America Trungpa ushered in a radically new approach to spirituality both rooted in the ancient wisdom of the buddhadharma and thoroughly situated in the contemporary world. His teachings grounded in what he called the Shambhala vision focused on the development of an enlightened society through the transformation of ordinary everyday life into sacred activity. Steering between Western biography and traditional Tibetan hagiography Fabrice Midal takes you on a soaring journey through Trungpa's life and teachings. Touching on all of the most momentous events this series of glimpses into Chogyam Trungpa's world provides a rare view on the formation of Trungpa's thought and the remarkable body of teachings and writings that remain as his legacy. Included are accounts of Chogyam Trungpa's education in Tibet under the tutelage of great tantric masters like Jamgon Kongtrul of Sechen and Khenpo Gangshar. The founding of landmark centers for Buddhist practice and education such as the Naropa Institute now Naropa University, Karmachungling and the Rocky Mountain Dharma Center now the Shambhala Mountain Center. Trungpa's historic meeting with the sixteenth Gyalwa Karmapa in 1974, the first ever visit of the Karmapa to America. Behind the scenes stories of Trungpa's most treasured writings including *Meditation in Action*, *Cutting Through Spiritual Materialism* and *Shambhala: The Sacred Path of the Warrior*. And much more.

The Superhuman Life of Gesar of Ling Alexandra David-Neel, 2001-05-01 King Gesar renowned throughout Tibet and Central Asia represents the ideal warrior, the principle of all victorious confidence. As the central force of sanity he conquers all his enemies, the evil forces of the four directions who turn people's minds away from the true teachings of Buddhism. These enemies graphically represent the different manifestations of cowardly mind. As Chogyam Trungpa explains in the Foreword: When we talk here about conquering our enemy it is important to understand that we are not talking about aggression. The genuine warrior does not become resentful or arrogant. It is absolutely necessary for the warrior to subjugate his own ambition to conquer at the same time that he is subjugating his other more obvious enemies. Thus the idea of warriorship altogether is that by facing all our enemies fearlessly with gentleness and intelligence we can develop ourselves thereby attaining self-realization. The legends of Gesar usually take weeks for a bard to recount. Filled with magic, adventure and the triumphs of this great warrior king, the stories will delight all young and old alike. Shambhala Chogyam

Trungpa, 2006 **Milarepa** Chogyam Trungpa, 2017-03-28 A renowned meditation master retells the stories and realization songs of Tibet's best known and most beloved religious figure and reveals how they relate to our everyday lives. He went from being the worst kind of malevolent sorcerer to a devoted and ascetic Buddhist practitioner to a completely enlightened being all in a single lifetime. The story of Milarepa 1040-1123 is a tale of such extreme and powerful transformation that it might be thought not to have much direct application to our own less dramatic lives, but Chogyam Trungpa shows otherwise. This collection of his teachings on the life and songs of the great Tibetan Buddhist poet-saint reveals how Milarepa's difficulties can be a source of guidance and inspiration for anyone. His struggles, his awakening and the teachings from his remarkable

songs provide precious wisdom for all us practitioners and show what devoted and diligent practice can achieve

The Epic of Gesar of Ling Jamgon Mipham, 2013-07-09 The Gesar of Ling epic is the Tibetan equivalent of The Arabian Nights For hundreds of years versions of it have been known in oral and written form in Tibet China Central Asia and across the eastern Silk Route King Gesar renowned throughout these areas represents the ideal warrior As a leader with his people s loyalty and trust he conquers all their enemies and protects the peace His life story which is full of miracles and magic is an inspiration and a spiritual example to the people of Tibet and Central Asia even today Gesar s warrior mask can be seen in the town square and on the door of homes in towns and villages throughout this area As a Buddhist teaching story the example of King Gesar is also understood as a spiritual allegory The enemies in the stories represent the emotional and psychological challenges that turn people s minds toward greed aggression and envy and away from the true teachings of Buddhism These enemies graphically represent the different manifestations of the untamed mind The teaching is that genuine warriors are not aggressive but that they subjugate negative emotions in order to put the concerns of others before their own The ideal of warriorship that Gesar represents is that of a person who by facing personal challenges with gentleness and intelligence can attain spiritual realization This book contains volumes one through three which tell of Gesar s birth his mischievous childhood his youth spent in exile and his rivalry for the throne with his treacherous uncle The Gesar epic tells how the king an enlightened warrior in order to defend Tibet and the Buddhist religion from the attacks of surrounding demon kings conquers his enemies one by one in a series of adventures and campaigns that take him all over the Eastern world He is assisted in his adventures by a cast of heroes and magical characters who include the major deities of Tibetan Buddhism as well as the native religion of Tibet Gesar fulfills the Silk Route ideal of a king by being both a warrior and a magician As a magician he combines the powers of an enlightened Buddhist master with those of a shamanic sorcerer In fact at times the epic almost seems like a manual to train such a Buddhist warrior magician In the story the people and nation of Ling represent the East Asian notion of an enlightened society There meditation magic and the oral folk wisdom of a communal nomadic society are synchronized in a lifestyle harmonious with the environment but ambitious for growth and learning and refined literate culture Filled with magic adventure and the triumphs of this great warrior king the stories will delight all young and old alike The Gesar epic is still sung by bards in Tibet The words of the Gesar epic have never been translated into a Western language before *Chögyam Trungpa Rinpoche at Lama Foundation ,1974*

Crossings on a Bridge of Light Douglas J. Penick, 2009-09 Crossings On A Bridge of Light is the first English rendition of a vibrant and pivotal episode in the Gesar of Ling epic In this story Gesar King of Ling moves between life and death to free his mother from the bonds of hell He traverses the six realms of being and passes through the five traditional states bardos His journey reaches its apex in four visions of the enlightened rulers of the Kingdom of Shambhala Gesar s inner journey his encounters with a panoply of beings embodying the spontaneous presence of the awakened state enable him to heal the doubts and

divisions that have come to threaten his kingdom This tale of how the vision of an enlightened society can be realized on this earth has inspired people for many centuries it is equally powerful today The miraculous images of King Gesar dance so vividly on the pages of Crossings On A Bridge of Light it s as if they were alive It s beautiful The Ven Tulku Thondup translator of many important Nyingma texts author of Healing Power of Mind Boundless Healing and Peaceful Death Joyful Rebirth Crossings On A Bridge of Life is a treasure a work of true inspiration It demonstrates that the tradition of Gesar and his significance is not lost and that singers may appear in any land or time In relating Gesar s quest to liberate his mother from hell it vividly brings to life the Buddhist teachings on the six realms the cycle of bardos the pure lands of the five transcendent Buddhas and the inseparability of existence and awakening The poetry of its language deeply touches the heart with compassion and opens the mind to the ever present reality of the awakened state Dr Francesca Fremantle translator with Chogyam Trungpa Rinpoche of The Tibetan Book of the Dead and author of Luminous Emptiness *The Warrior Song of King Gesar* Douglas J. Penick,2009-10-01 The Gesar epic encompasses a vast range of ancient Central Asian cultural and spiritual traditions As its center Gesar King of Ling battles tirelessly in a world riven by greed confusion fear and religious ambition to open pathways to an enlightened society The Warrior Song of King Gesar follows the unbroken heritage of that warrior tradition and presents the saga of Gesar s life from the hardships of his youth through his great battles against the demonic enemies of the four directions This ever evolving epic tradition continues to inspire people in diverse societies by showing that despite failures an unsparing spiritual journey is integral to a secular life and that despite defeats such a quest is inseparable from working toward true social harmony The Venerable Tulku Thondup s introduction is uniquely valuable for its profound scholarship and contains the only account in English of King Gesar s mind teachings I hope that the wisdom imagination and humor with which Douglas Penick has conveyed both Gesar s story and the energy of his being will rouse unconditional confidence throughout the world Sakyong Mipham Rinpoche head of Shambhala International author of Making the Mind into an Ally and Ruling Your World The Warrior Song of King Gesar maintains traditional Asian epic genres and conventions while simultaneously transforming them into a completely contemporary vehicle of expression The book captures in a remarkable way the nomadic warrior traditions from which Gesar s inner life emerged while uncovering the personal reality hidden within them This work then is not a re telling of the Gesar saga but an authentic continuation of that tradition which thus becomes available to modern audiences in new and provocative ways Kidder Smith former Professor of Chinese History at Bowdoin College author of articles on the East Asian classics lead translator in the Denma Translation Group s Sun Tzu s Art of War

Whispering the Strategies of Language: An Emotional Quest through **Warrior King Of Shambhala Remembering Chogyam Trungpa**

In a digitally-driven earth where displays reign great and immediate transmission drowns out the subtleties of language, the profound strategies and mental subtleties hidden within words often get unheard.
