**Guide to the Period of Mystagogy** Corinna Laughlin, Mary A. Wax, Stephen S. Wilbricht, csc, 2024-09-01 After the excitement of the Easter Vigil the period of mystagogy can often be overlooked by the initiation team and the neophytes. However, it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church. Mystagogical reflection is an important part of the spiritual growth of all parishioners from neophytes to lifelong Catholics because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives. A Guide to the Period of Mystagogy encourages members of the initiation team to make the most of this period and provides practical support to do so. It includes an overview of six foundational principles of initiation ministry and how they are applied to the period of mystagogy. Theological insights from the early Church's practice of mystagogy. Practical advice for implementing mystagogical reflection in your parish. Nine mystagogical reflection sessions that can be used during Easter Time. Fifteen mystagogical reflection sessions that can be used during the first year following initiation. Encouragement to celebrate the first anniversary of baptism and to incorporate mystagogical reflection into the ongoing faith formation of the whole parish community. **The Advent's Arrival** Tyrus Cole Tisdale, 2024-07-10 After humans unexplainably left Earth, ancient fish and cephalopods evolved to walk on land, and thousands of years later rebuilt what the humans had left behind. Flash, a humanoid teenage octopus from the snowy town of Shiverbourn, hasn't had an easy life, often finding himself with the short end of the stick, bullied or in a fight. On a walk, one seemingly calm and wintry evening, he sees a falling star that looks like it's headed for Earth. When it crash-lands on an old farmhouse, he can't help but check it out, and when he thinks he hears a voice crying for help within the home, he runs into the burning inferno only to find something sinister. A strange glowing red object, the star that had fallen from the sky, draws Flash in, and he touches it, forever locking his fate to the demon that manifests thereafter: a dark and evil fiend named Vyrus. Vyrus has not only taken Flash's appearance as his own but also wants his soul. Though Flash barely escapes Vyrus at the farmhouse, the carnage begins, and those he loves are in danger. To stop him, Flash must quickly uncover humanity's greatest secret because Vyrus is coming, and he will do whatever it takes to get what he wants. Terrifying, gritty, and action-packed, *The Advent's Arrival* is the first book in the heart-pounding Advent series. **Preach What You Believe** Michael Bulson, 2005 A collection of homilies by a deacon for deacons and anyone else who preaches. **Ongoing Conversion: From Good to Better** Fr. Henry J. Charles, 2014 This book is a compilation of homilies of Fr Henry Charles composed and delivered over a period of at least twenty years The homilies were written out and were eventually typed up and it is possible that Fr Henry had himself thought about publishing them though we do not know this for sure While many persons were privileged to receive emailed copies and others actually heard his preaching the homilies were thought to be deserving of a wider audience The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance courage and discipline critical elements of the process he terms ongoing conversion In addition Fr Henry advocates moral excellence not settling for the merely moderate or the mediocre but striving always to be perfect Fr Henry faces up to and wrestles with the perplexities of the Gospel and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes and that as a consequence we are required to see things from a different perspective not as we are normally inclined to see them but as God sees them The homilies have been arranged thematically On God On Jesus What Jesus Calls Us To Be What Jesus Calls Us To Do Faith Hope Love Loss Suffering Death and Heaven Virtues and Vices Human Dignity Spirituality Church Liturgy and Ritual and Culture Society and Leadership There is of course considerable overlap among the various themes The subjects he refers to and the examples he gives are contemporary and relevant not only to a Caribbean audience but we think to audiences globally The style is informal and conversational for the most part and this quality of the writing has been maintained The homilies have been edited for clarity and for obvious errors and omissions in the transcripts and some have been retitled but they have otherwise been reproduced and stand as he wrote them
