What Works Successful Writing Strategies For National Board Certification:

Successful Writing Strategies for National Board Certification Bobbie Faulkner, 2021-10-13 *Successful Writing Strategies for National Board Certification* leads National Board candidates through various strategies to help them write in the National Board Style. How a candidate writes about their teaching practice greatly impacts the success of their efforts to become a Board Certified Teacher. Components the candidates submit depend on writing that is clear, consistent, and convincing. All the Scoring Rubrics are built upon those elements. This book gives many writing strategies, tips, and examples to lead candidates toward the goal of submitting work that meets the National Board Standards for accomplishment. This revision brings it up to date with the current Version 3.0 National Board requirements. *What Works!* Bobbie Faulkner, 2014-04-09 *WHAT WORKS* offers dozens of writing strategies to clearly and convincingly explain your teaching practice to the National Board Assessors. Writing for the National Board is a type of technical writing teachers rarely use elsewhere, and this book lifts the mysterious fog surrounding how to provide evidence of the National Board Standards. *WHAT WORKS* provides organized information designed to propel candidates to successful certification. It's a roadmap for National Board candidates, presenting tips and information in a straightforward conversational style. *WHAT WORKS* special features include: *WHAT WORKS* and *HERE'S WHY* sections; Sentence Starters for Descriptive, Analytical, and Reflective Writing; Examples from Multiple Certificate Areas; Candidate Vignettes based on Real Candidates; Multiple Appendix Templates for All Certificates and Entries; Sample Passages illustrating Evidence or Lack of Evidence Writing for the Assessment Center; Tips. **Successful Strategies for Pursuing National Board Certification** Bobbie Faulkner, 2016-12-01 In 2014 the National Board began revising and streamlining the National Board Certification Process. This new 3.0 version of the *WHAT WORKS* series reflects the revisions to Components 3 and 4. *WHAT WORKS: Successful Strategies for Pursuing National Board Certification, Version 3.0, Components 3 and 4* includes dozens of strategies to guide candidates to successful certification. The chapters draw a roadmap showing how to provide evidence of the National Board Standards. There are tips for understanding the prompts, making videos, and for writing clearly, consistently, and convincingly in the National Board Style. **Navigating Certification** Bobbie Faulkner, 2021-02-15 This book explains, summarizes, and interprets the National Board for Professional Teaching Standards' new Maintenance of Certificate (MOC) process. The MOC process replaces the former renewal process for National Board Certified Teachers who want to maintain their certification beyond its original expiration date. MOC explores the teacher's professional growth since the time of original certification or one's last renewal. The book covers the scope of the process from beginning to end. Candidates will learn about the two Components they'll complete: developing their Professional Growth Experiences (PGE) connecting their video to a PGE writing in the National Board style, and how to most efficiently use their instructions. The book explains and interprets the prompts candidates respond to show they have remained an accomplished teacher. **Successful Strategies for Pursuing National Board**

Collaborative Analysis of Student Work Georgea M. Langer, Amy B. Colton, Loretta S. Goff, 2003 When teachers get together and apply their combined knowledge and experience to the challenges of teaching and learning, amazing things can happen. In this book, you'll find out how to set up collaborative analysis of student work in your school. Developed and refined with more than 100 elementary and secondary teachers, this adaptable system combines the best of action research, study groups, standards-based learning, student assessment, teacher reflection, and portfolio assessment. The authors guide you through each component with concrete, detailed descriptions and authentic examples. You'll learn ideas for setting up effective study groups, strategies for documenting students' progress toward learning standards, methods for reflecting on professional growth, ways to share the benefits with colleagues and students. This system of professional inquiry challenges you to examine your beliefs about what students can do and helps you identify which teaching methods are working most successfully. You and your colleagues can acquire deeper insight into the link between your instruction and each student's learning and enhance your ability to help every student succeed.
