The Complete Works George MacDonald, 2022-11-13 In *The Complete Works* George MacDonald offers an extensive collection of his literary masterpieces encompassing poetry, novels, and fairy tales that delve into themes of spirituality, morality, and the power of imagination. MacDonald's writing is characterized by its lyrical prose and deep philosophical underpinnings, often reflecting the influence of Romanticism and early Victorian beliefs. His narratives frequently intertwine the fantastical with the moral, inviting readers to traverse realms where the ethereal meets the tangible, making this collection not just a showcase of his literary talent but a significant exploration of human experience and divine grace.
