Invest Like an Aardvark James M. Russo, 2018-12-07 Like the author of this book the aardvark is big slow and a bit ugly He s not a big game hunter He s not hunting for high flying stocks the pundits love talking about on

financial news shows Instead the aardvark eats the easily foraged food like ants What ants are to the aardvark dividends are to his investment process They are the easily foraged returns The aardvark hunts at night alone and unafraid He s contrarian by nature and has his own unique phylum There s no other animal quite like him He has giant ears which he keeps raised to be mindful of what might go wrong while he is foraging for dividends He has big sharp claws ideal for digging deep to uncover value He works well into the night and is diligent in his search seeking his own path not following the herd on Wall Street
