Vietnamese Evangelicals and Pentecostalism Vince Le, 2018-11-05 This book offers an analysis of the historical theological and social conditions that give rise to the growth of pentecostalism among contemporary Vietnamese evangelicals Emerging from the analysis is an understanding of how underprivileged evangelicals have utilized the pentecostal emphasis on divine intervention in their pursuit of the betterment of life amid religious and ethnic marginalization Within the context of the global growth of pentecostalism Vietnamese Evangelicals and Pentecostalism shows how people at the grassroots marry the deeply local based meaning dictated by the particularity of living context and the profoundly universal truth claims made by a religion aspiring to reach all four corners of the earth to enhance life

Nurturing the Prophetic Imagination Jamie Gates, Mark Mann, 2012-11-06 Nurturing the Prophetic Imagination searches through biblical scholarship theology economics sociology politics ecology and history to discern the strands of God's justice and reconciliation at work in the contemporary world Nurturing the Prophetic Imagination challenges Christians to engage the most troubling social problems of our time by first drinking deeply from the well of the historic prophetic traditions Nurturing the Prophetic Imagination witnesses to a God that raises up prophets to speak at critical moments in every time and to what it might look like for the Church to nurture the soil from which such prophetic voices spring Rarely do such a wide variety of authors from such different backgrounds and vocations get together to name what the prophetic work of God looks like in our midst The radical justice and reconciliation of God can be found in every corner of life if we know where to look for it Nurturing the Prophetic Imagination provides some guidance in this direction Nurturing the Prophetic Imagination celebrates and seeks to build upon the legacy of eminent biblical scholar Walter Brueggemann's seminal work The Prophetic Imagination first published in 1978 by assessing the core insights and themes he develops through a number

of different lenses These include contemporary biblical scholarship theology economics sociology politics ecology and church history Nurturing the Prophetic Imagination also discusses the extent to which the Christian prophetic tradition continues to speak meaningfully within the contemporary world and thereby seeks to be a source for inspiring future generations of Christian prophets to do likewise

Debbi DiGennaro, 2018-09-17 Misunderstood one thing foreigners never want to be But Africans and Westerners interpreting

sometimes scandalous but always damages credibility This book is designed to promote cultural competence among
Westerners working in Africa and among Africans living in the West
