Literature and Translation in the Licensing Realm Alexander Nebrig, 2025-08-01 This study examines how literature and its interlingual circulation changed under the conditions of international legal agreements Until the 19th century translation into other languages was dominated by the so called target culture and took place independently of the source culture freedom of translation By contrast modern authors can influence the international distribution of their works through copyright law Not only has an extensive licensing system emerged with agencies publishers and scouts specializing in the interlingual dissemination of literature the author s awareness of writing books for countries other than their own has also increased The development of transnational authorship is traced through the history of German literature since the 19th century and the interaction of writers with translators publishers and agencies

The Event Industry My City Links, 2025-04-01 Coming of Age How the event industry is reshaping the social and cultural landscape The event industry as we know it today is a far cry from the modest beginnings and tentative first steps witnessed a few decades ago Over the years it has seen steady growth in Odisha fuelled by heritage

tourism and government backed initiatives Bhubaneswar Cuttack and Puri have emerged as prime destinations for events spanning the entire spectrum from dance and music to social and cultural gatherings Read all about it in our Cover Story Ideas conversations and lots more That s what the Bocca Book Cafe promises for lovers of literature culture and the arts City Lights brings you highlights from the launch event which was marked by an insightful conversation with the author of a book that is way off the beaten track The section also has a special feature to mark World Book Day City Tales continues with the series on temple tanks in Bhubaneswar This time the focus is on how their very existence is under threat today thanks to rapid urbanization coupled with neglect In City Health we bring you some expert tips on how to practice a Yoga pose that has to do with stretching and flexibility Our CityZen for the edition is Anand Poddar a dynamic entrepreneur who believes in balancing business with social impact He talks to us about his journey so far City Biz narrates the inspiring story of some intrepid women who are breaking the proverbial glass ceiling with their culinary skills It has been cricket all the way since the latest edition of the Indian Premier League kicked off last month and it has stirred a debate on the state of the game in Odisha In City Sports experts and coaches weigh in on why cricketers from Odisha have been finding it tough to make a mark on the national scene Recent years have seen innumerable instances of how social media can amplify the reach of traditional art forms The latest example is that of a 30 year old Odia Sambalpuri song that has got a fresh lease of life after it went viral on social media platforms Read all about it in ScreenShots It s not often that one talks about Indian cinema and science fiction in the same breath Malayalam film Gaganachari is however an unexpected and welcome exception In Cityflix we take a look at how the film uses science fiction laced with humour and distinct facets of human relationship to weave together a gripping tale

The Transnational in Literary Studies Kai Wiegandt,2020-07-06 This volume clarifies the meanings and applications of the concept of the transnational and identifies areas in which the concept can be particularly useful The division of the volume into three parts reflects areas which seem particularly amenable to analysis through a transnational lens The chapters in Part 1 present case studies in which the concept replaces or complements traditionally dominant concepts in literary studies These chapters demonstrate for example why some dramatic texts and performances can better be described as transnational than as postcolonial and how the transnational underlies and complements concepts such as world literature Part 2 assesses the advantages and limitations of writing literary history with a transnational focus These chapters illustrate how such a perspective loosens the epistemic stranglehold of national historiographies but they also argue that the transnational and national agendas of literary historiography are frequently entangled The chapters in Part 3 identify transnational genres such as the transnational historical novel transnational migrant fiction and translinguistic theatre and analyse the specific poetics and politics of these genres
