Holmes,2016-10-11 An illuminating look at the surprising upside of ambiguity and how properly harnessed it can inspire learning creativity even empathy Life today feels more overwhelming and chaotic than ever Whether it s a confounding work problem or a faltering relationship or an unclear medical diagnosis we face constant uncertainty And we re continually bombarded with information much of it contradictory Managing ambiguity in our jobs our relationships and daily lives is quickly becoming an essential skill Yet most of us don t know where to begin As Jamie Holmes shows in Nonsense being confused is unpleasant so we tend to shutter our minds as we grasp for meaning and stability especially in stressful circumstances We re hard wired to resolve contradictions quickly and extinguish anomalies This can be useful of course When a tiger is chasing you you can t be indecisive But as Nonsense reveals our need for closure has its own dangers It makes us stick to our first answer which is not always the best and it makes us search for meaning in the wrong places When we latch onto fast and easy truths we lose a vital opportunity to learn something new solve a hard problem or see the world from another perspective In other words confusion that uncomfortable mental place has a hidden upside We just need to know how to use it This lively and original book points the way Over the last few years new insights from social psychology and cognitive science have deepened our understanding of the role of ambiguity in our lives and Holmes brings this research together for the first time showing how we can use uncertainty to our advantage Filled with illuminating stories from spy games and doomsday cults to Absolut Vodka s ad campaign and the creation of Mad Libs Nonsense promises to transform the way we conduct business educate our children and make decisions In an increasingly unpredictable complex world it turns out that what matters most isn t IQ willpower or confidence in what we know It s how we deal with what we don t understand

Recognizing the pretentiousness ways to acquire this book **Vw Golf English User Manual** is additionally useful. You have remained in right site to start getting this info. get the Vw Golf English User Manual associate that we pay for here and check out the link.
