SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel.

It has been assumed that basic service procedures relative to the safety, and more specifically YAMAHA Products, are already known and understood by the user, and have therefore not been repeated.

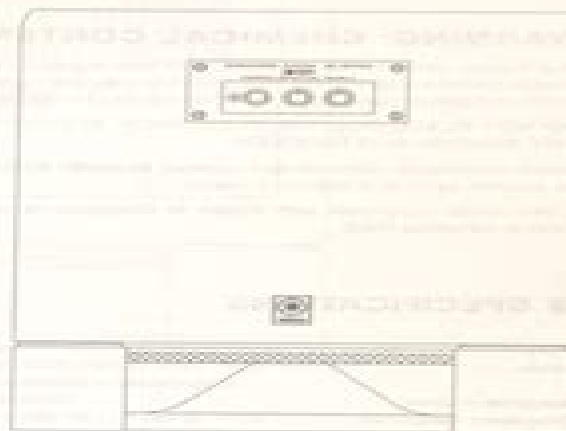

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the approved service representative.

IMPORTANT: The possession or use of this manual in any individual or firm does not constitute authorization, endorsement or recognition of any applicable technical regulations, or establish a privileged agent relationship of any kind.

The data provided is believed to be accurate and applicable to the service indicated on the cover. The research, engineering, and service departments of YAMAHA are constantly working to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to notify. Should any discrepancy appear in use, please contact the distributor's Service Division.

WARNING: Radio discharges can destroy expensive components. Discharge any static electricity (even body may have accumulated) by grounding yourself to the ground line in the anti-theft green/black wires connect to this point.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
