Trade Unions In Asia An Economic And Sociological Analysis:

Trade Unions in Asia John Benson, Ying Zhu, 2008-05-30 Offering a comprehensive account of the role of trade unions in Asia today this book put together by two editors who have published extensively in the areas of business and economics in Asia covers all the important Asian economies both developed and developing Making a vital contribution to the very small amount of literature that has been pub **Trade Unions and Labour Movements in the Asia-Pacific Region**

Byoung-Hoon Lee, Ng Sek-Hong, Russell Lansbury, 2019-09-16 Recent developments in the world economy including deindustrialisation and the digital revolution have led to an increasingly individualistic relationship between workers and employers which in turn has weakened labour movements and worker representation However this process is not universal including in some countries of Asia where trade unions are closely aligned with the interests of the dominant political party and the state This book considers the many challenges facing trade unions and worker representation in a wide range of Asian countries For each country full background is given on how trade unions and other forms of worker representation have arisen Key questions then considered include the challenges facing trade unions and worker representation in each country the extent to which these are a result of global or local developments and the actions being taken by trade unions and worker representative bodies to cope with the challenges This book is dedicated to the memory of Professor Keith Thurley London School of Economics Trade Liberalisation and Poverty in South Asia Prema-chandra

Athukorala, Jayatileke S. Bandara, Saman Kelegama, 2012-05-23 The link between trade liberalisation and poverty has arguably been one of the most debated topics in development policy debate Existing studies on the subject have primarily used multi country cross sectional data and there is a growing concern about the limitations of this approach in providing a sound empirical basis for informing the policy debate These limitations point to the need for undertaking in depth analyses within individual countries over time In order to examine the connection between trade liberalisation and poverty this book provides case studies of trade policy reforms and poverty reduction outcomes of seven countries in South Asia Bangladesh Bhutan India Maldives Nepal Pakistan and Sri Lanka The South Asia region allows for an excellent comparative study given the widespread emphasis on liberalisation reforms in the region over the past two decades as well as highlighting significant inter country differences in terms of the timing and comprehensiveness of reforms and the heavy concentration of world poverty in the region This book is a useful contribution to studies on South Asia as well as International Trade and Development Economics International Organizational Behavior Dean B. McFarlin, Paul D. Sweeney, 2013 In today s

increasingly diverse multicultural business world managers and employees alike need to transcend many borders literally or figuratively and grasp a wide variety of cultural nuances on a routine basis Doing this well requires both a sophisticated understanding of cultural differences as well as a repertoire of skills and management tactics that can be brought to bear to build and maintain a competitive global workforce International Organizational Behavior focuses on understanding and

managing organizational behavior in an international context providing both the conceptual framework needed for a transcendent understanding of culture along with plenty of practical advice for managing international challenges with organizational behavior

Marketing and Consumption in Modern Japan Kazuo Usui, 2014-03-05 This book explores the development in Japan throughout the twentieth century of marketing and consumerism It shows how Japan had a long established indigenous traditional approach to marketing separate from Western approaches to marketing and discusses how the Japanese approach to marketing was applied in the form of new marketing activities which responding to changing patterns of consumption contributed considerably to Japan s economic success The book concludes with a discussion of how Japanese approach to marketing is likely to develop at a time when globalisation and international marketing are having an increasing impact in Japan

Reform and Productivity Growth in India Dibyendu Maiti, 2014-01-03 During the last two decades India has experienced a high growth rate but the contribution from productivity growth and technological progress has been very low This has resulted in a poor performance in the employment generation in the formal sector and this book examines this phenomenon and the Indian growth pattern Using primary and secondary data the book looks at the impact of economic reform on technological change and total productivity growth and in turn its impact on the labour market It examines the effect of trade reform on the form and functioning of labour markets and goes on to look at the impact of the global financial crisis on the Indian labour market Offering interesting modelling exercises and empirical verifications that bring fresh ideas and new content this book is of interest to academics in the fields of development economics international economics and South Asian studies

Women, Labour and the Economy in India Deepita Chakravarty, Ishita Chakravarty, 2015-10-30 The last available census estimated around 10 per cent of total urban working women in India are concentrated in the low paid domestic services such as cleaning cooking and taking care of the children and the elderly This is found to be much higher in certain parts of India emerging as the single most important avenue for urban females surpassing males in the service since the 1980s By applying an imaginative and refreshing mix of disciplinary approaches ranging from economic models of the household empirical analysis and literary conventions this book analyses the changing labour economy in post partition West Bengal It explains how and why women and girl children have replaced this traditionally male bias in the gender segregated domestic service industry since the late 1940s and addresses the question of whether this increase in vulnerable individuals working in domestic service the growth of the urban professional middle class in the post liberalization period and the increasing incidences of reported abuses of domestics in urban middleclass homes in the recent years are related Covering five decades of the history of gender and labour in India this book will be of interest to scholars working in the fields of gender and labour relations development studies economics history and women and gender studies
