

Grade 2 Social Studies Unit: Traditions and Celebrations

Our class has been learning about Traditions and Celebrations. As part of their final task, they are required to independently interview a family member about their traditions and celebrations, and share their results in a presentation to the class. Students will get a mark for social studies, writing, and oral communication.

You may also bring in pictures or objects to show the class, although that is not a requirement. Don't forget to practice at home in front of your family and/or a mirror to help build your confidence and fluency. You may hold your presentation in front of you or attach it to the wall in class.

The class will be excited to hear more about you and your family!
