Tragic Soul Life Tragic Soul Life:

The Souls of W.E.B. Du Bois Edward J. Blum, Jason R. Young, 2009 This title presents new evaluations on the significance of Du Bois The Souls of W E B Du Bois is a collection of articles that treat Du Bois on the subject of religion by reintroducing his life and work to an audience that may be familiar with his work generally but may never have seen analyses of his study of religion Because the project includes articles that examine both Du Bois personal religious life along with his examination of religion the editors seek to add not only to our knowledge of Du Bois scholarly contributions but also hope to shed light on his personal life and religiosity Also in treating the biography and career of a thinker whose work covers much of the twentieth century the editors intend this work to address larger issues related to religion in the United States over the course of the century Just as Du Bois foresight predicted a century marred by racial violence so his varied explorations into the role of religion in the modern world anticipated the rise of contemporary tensions borne of the global circulation of corporate capital and commerce of religious fundamentalism and evangelical theology Indeed Du Bois identified the critical paradox and presumed contradiction between America s religious legacy built on morality justice and equality with the country s impending devotion to progress modernity and money Throughout his life and writing Du Bois explored the special tensions that erupted in a nation bowing before two gods Unfortunately scholarly treatment of both Du Bois critical writings on religion as well as his own personal religious development has been relatively lacking The soulful side of the man whose most famous work was about the souls of black folk in short has been largely neglected **Tragic Soul-life** Terrence L.

Johnson, 2012 This title provides a debate on the proper role of religion in politics as one about liberalism s failure to address the moral issues implicated in human suffering subjugation and death as they emerge within political responses to antiblack racism imperialism and sexism Tragic Souls of Love and War Jacquelyn Howes, 2019-09-08 The Bellamy Mansion in

Wilmington North Carolina is the setting of Tragic Souls of Love and War in the pre Civil War era during the Civil War and after the war The story is heavily based on facts of four strong women Sarah Sampson the Bellamy family s slave cook Belle Bellamy the oldest Bellamy daughter Mrs Eliza Bellamy the wife of Dr John Bellamy and Harriet Foote Hawley the wife of Union general Joseph Roswell Hawley She was an abolitionist and a first cousin of Harriet Beecher Stowe The mix of these four women and the fictional and extraordinarily charismatic Braxton Scott twist into a story that captures the loves and sorrows of a tragic time in our history that resembles the classic Gone with the Wind and reminds us of the sad reality of inequality that still exists today **The Oxford Handbook of African American Theology** Katie G. Cannon, Anthony B.

Pinn, 2014 The Oxford Handbook of African American Theology brings together leading scholars in the field to present a critical and comprehensive analysis of African American Theology in its many forms and contexts providing an interdisciplinary examination of the nature content and meaning of this form of theology Humanism Anthony B.

Pinn, 2015-08-27 Who are the Nones What does humanism say about race religion and popular culture How do race religion

and popular culture inform and affect humanism The demographics of the United States are changing marked most profoundly by the religiously unaffiliated or what we have to come to call the Nones Spread across generations in the United States this group encompasses a wide range of philosophical and ideological perspectives from some in line with various forms of theism to those who are atheistic and all sorts of combinations in between Similar changes to demographics are taking place in Europe and elsewhere Humanism Essays on Race Religion and Popular Culture provides a much needed humanities based analysis and description of humanism in relation to these cultural markers Whereas most existing analysis attempts to explain humanism through the natural and social sciences the what of life Anthony B Pinn explores humanism in relation to how life is arranged socialized ritualized and framed This ground breaking publication brings together old and new essays on a wide range of topics and themes from the African American experience to the development of humanist churches and the lyrics of Jay Z
