

Unethical Conduct In The Namibian Public Service

E Durkheim

Unethical Conduct In The Namibian Public Service:

The International Ombudsman Yearbook, Volume 3 (1999) International Ombudsman Institute, Linda C. Reif, 2021-10-18

The International Ombudsman Yearbook is the only publication devoted to ombudsman issues. The public sector ombudsman is now found at all levels of government in many countries around the world both in established and consolidating democracies. The ombudsman is an independent office traditionally appointed by the legislative branch to investigate poor administration of government. More recently some ombudsman offices have been given human rights protection responsibilities. The International Ombudsman Yearbook contains articles written from legal or public administration perspectives which address issues of interest to the contemporary ombudsman and to all persons with an interest in the institution. Compiled and edited by the International Ombudsman Institute, the organization composed of over 130 ombudsman members located worldwide, the Yearbook will be of interest to lawyers, scholars, ombudsman office personnel and government entities wherever ombudsman offices are located or contemplated.

The International Ombudsman Yearbook, 1999

Social and Ethical Issues of Global Pandemics Masake Pilisano Harris, Richard Obinna Iroanya, 2023-11-02

The COVID 19 pandemic exposed the weaknesses inherent in the social infrastructure of African states, especially healthcare and social security systems. African states were characterized by a high level of unpreparedness with scientific and technological insufficiency to address the pandemic emergency. This in turn worsened the impact of COVID 19 on all fronts; thus many African states experienced issues with high mortality rate, rampant job losses and arbitrary and erratic state responses.

Social and Ethical Issues of Global Pandemics: A Southern African Perspective edited by Masake Pilisano Harris and Richard Obinna Iroanya argues that pandemics deepen inequality margins with grave social, legal and ethical consequences in Southern Africa and beyond. Through empirical and theoretical research, Harris and Iroanya analyze the regulations that were passed during COVID 19 and evaluate the impact and legality of these regulations. The contributors provide information that will help authorities and society appreciate the extent of the effects of the pandemic and its control measures on people's ways of life in the post COVID era and beyond.

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Unethical Conduct In The Namibian Public Service**

In a global inundated with displays and the cacophony of quick interaction, the profound energy and mental resonance of verbal art frequently fade into obscurity, eclipsed by the regular assault of noise and distractions. However, set within the lyrical pages of **Unethical Conduct In The Namibian Public Service**, a fascinating work of literary elegance that pulses with natural emotions, lies an memorable trip waiting to be embarked upon. Composed by a virtuoso wordsmith, that enchanting opus courses viewers on an emotional odyssey, softly exposing the latent possible and profound impact embedded within the delicate internet of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is main styles, dissect their charming writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
