## **Venise 2015 2016 Version Anglaise Collectif:**

*Situation de la démocratie, des droits de l'homme et de l'État de droit* Conseil de l'Europe, 2017-04-19 Populisme Le système de contre-pouvoirs est-il suffisamment puissant en Europe ? Voici le quatrième rapport annuel du Secrétaire Général du Conseil de l'Europe sur la situation de la démocratie des droits de l'homme et de l'état de droit en Europe. Comme dans les précédentes éditions de ce document, les cinq chapitres sont chacun consacré à l'un des grands éléments constitutifs de la sécurité démocratique : savoir des systèmes judiciaires efficaces impartiaux et indépendants, la liberté d'expression, la liberté de réunion et la liberté d'association des institutions démocratiques et des sociétés inclusives. Ce rapport analyse les forces et les faiblesses des États membres du Conseil de l'Europe dans ces domaines ; cette analyse peut servir à valuer la résilience des États face aux difficultés engendrées par le populisme. **La démocratie référendaire dans les ensembles plurinationaux** Collectif

Collectif, 2024-08-07T00:00:00-04:00 En quoi le contexte particulier des États coexistent plusieurs nations affecte-t-il l'expression par le référendum de la volonté des électeurs ? **Le yiddish, l'inconscient, les langues**, 2024-10-28 Si le yiddish est en train de disparaître, vers où se dirige cette disparition ? demandait avec angoisse le poète yiddish Avrom Sutzkever. La question d'une disparition potentielle du yiddish est d'actualité dans des œuvres littéraires, des témoignages et des enquêtes psychanalytiques en une multitude d'autres langues. Les études réunies dans ce volume défont la confusion linguistique qui en résulte comme un symptôme de ce traumatisme historique montrant singulièrement les résonances intimes et les expériences collectives. Elles illustrent la nécessité de repenser la question des interactions entre les langues comme un moment essentiel de prise en compte des tragédies historiques et une étape productive vers une compréhension plus nuancée des notions de multiculturalisme et de plurilinguisme caractéristiques essentielles de notre époque. Please show me Where the language will go down the Yiddish poet Avrom Sutzkever anxiously asked Questions surrounding the potential disappearance of Yiddish resonate far and wide in literary works, personal testimonies, social dynamics and psychoanalytical inquiries in a range of other languages. The studies gathered in this volume all point at the resulting linguistic confusion as a symptom of historical trauma, singularly combining intimate resonances and collective experiences. They also argue for the necessity to sketch out new ways of thinking about interactions among languages as an essential moment of reckoning with historical tragedies and a productive step towards a more nuanced understanding of issues of multiculturalism and plurilingualism as an essential feature of our times. **Atlas des crises et des conflits - 3e éd.** Pascal Boniface, Hubert Védrine, 2016-10-05 Depuis le début du 21e siècle, crises et conflits se succèdent à un rythme sans précédent dans l'histoire. Alors que de nouveaux conflits apparaissent d'autres, aux origines plus lointaines, connaissent de nouveaux développements. Pascal Boniface et Hubert Védrine s'intéressent aux crises nouvelles et scrutent l'horizon pour nous présenter, sur chacun des cas examinés, les scénarios possibles. Associant une cartographie d'une grande clarté, des commentaires centrés sur l'essentiel, ils décryptent avec talent la complexité du monde et les lignes de force de son évolution.

Nos 52 week-ends coups de cœur dans les plus belles villes

d'Europe Collectif, 2015-10-14 Cet ebook est une version numérique du guide papier sans interactivité additionnelle.
