Tussen 1899 en 1902 woedde in Zuid Afrika een oorlog tussen de Boerenrepublieken en het Britse Rijk Veel Nederlanders steunden in die tijd de Boeren Dit uitte zich in een vloedgolf aan propagandamateriaal om een tegenwicht te bieden aan de Britse berichtgeving over de oorlog Dit boek bevat een grondige analyse van de Nederlandse pro Boeren beweging vanaf haar begin in de jaren 1880 Kuitenbrouwer gaat in op de organisaties die de banden tussen Nederland en Zuid Afrika trachtten aan te halen en zo belangrijke knooppunten werden in een internationaal netwerk Aan de hand van

0 **A Military History of Modern South Africa** Ian van der Waag, 2018-03-14 The story of a century of conflict and change from the Second Boer War to the anti apartheid movement and the many battles in between Twentieth century South Africa saw continuous often rapid and fundamental socioeconomic and political change The century started with a brief but total war Less than ten years later Britain brought the conquered Boer republics and the Cape and Natal colonies together into the Union of South Africa The Union Defence Force later the SADF was deployed during most of the major wars of the century as well as a number of internal and regional struggles the two world wars Korea uprising and rebellion on the part of Afrikaner and black nationalists and industrial unrest The century ended as it started with another war This was a flash point of the Cold War which embraced more than just the subcontinent and lasted a long thirty years The outcome included the final withdrawal of foreign troops from southern Africa the withdrawal of South African forces from Angola and Namibia and the transfer of political power away from a white elite to a broad based democracy This book is the first study of the South African armed forces as an institution and of the complex roles that these forces played in the wars rebellions uprisings and protests of the period It deals in the first instance with the evolution of South African defense policy the development of the armed forces and the people who served in and commanded them It also places the narrative within the broader national past to produce a fascinating study of a century in which South Africa was uniquely embroiled in three total wars **A**
