Watching M*A*S*H, Watching America

James H. Wittebols, 2003-06-19 It has been said that M A S H was a show set in the 1950s which reflected the shifting values of the 1970s and early 1980s Hawkeye Pierce Radar O Reilly Trapper John McIntyre Sherman Potter Margaret Hot Lips Houlihan B J Hunnicutt Frank Burns Charles Emerson Winchester Max Klinger these and the many other characters who populated the MASH 4077 used the Korean War as a backdrop to comment on many of the social issues of their day Using a unique blend of comedy and drama the show s first three seasons 1972 1975 focused on the anti Vietnam War sentiment that consumed much of America As Vietnam ended M A S H moved on to concentrate on other contemporary issues the women s movement the rise of the religious right in American politics the new narcissism that marked the early 1980s the heightened awareness of underage or excessive alcohol use and the increased emphasis on family in American life How the series presented these issues and its success in doing so are the subjects of this critical study An episode listing brief plot outline casts and credits air dates and titles is also provided *The Rise and Fall of the Religious Left* L. Benjamin

Rolsky, 2019-11-12 For decades now Americans have believed that their country is deeply divided by culture wars waged between religious conservatives and secular liberals In most instances Protestant conservatives have been cast as the instigators of such warfare while religious liberals have been largely ignored In this book L Benjamin Rolsky examines the ways in which American liberalism has helped shape cultural conflict since the 1970s through the story of how television writer and producer Norman Lear galvanized the religious left into action The creator of comedies such as All in the Family and Maude Lear was spurred to found the liberal advocacy group People for the American Way in response to the rise of the religious right Rolsky offers engaged readings of Lear s iconic sitcoms and published writings considering them as an expression of what he calls the spiritual politics of the religious left He shows how prime time television became a focus of political dispute and demonstrates how Lear s emergence as an interfaith activist catalyzed ecumenical Protestants Catholics and Jews who were determined to push back against conservatism s ascent Rolsky concludes that Lear s political involvement exemplified religious liberals commitment to engaging politics on explicitly moral grounds in defense of what they saw as the public interest An interdisciplinary analysis of the definitive cultural clashes of our fractious times *The Rise and Fall of the Religious Left* foregrounds the foundational roles played by popular culture television and media in America s religious history Watching Skies Mark O'Connell, 2018-05-30 Mark O Connell didn t want to be Luke Skywalker He wanted to be one of the mop haired kids on the Star Wars toy commercials And he would have done it had his parents had better pine furniture and a condo in California Star Wars Jaws Close Encounters of the Third Kind E T The Extra Terrestrial Raiders of the Lost Ark and Superman didn t just change cinema they made lasting highways into our childhoods toy boxes and video stores like never before In *Watching Skies* O Connell pilots a gilded X Wing flight through that shared universe of bedroom

remakes of Return of the Jedi close encounters with Christopher Reeve sticker album swaps the trauma of losing an entire Stars Wars figure collection and honeymooning on Amity Island From the author of Catching Bullets Memoirs of a Bond Fan Watching Skies is a timely hologram from all our memory systems It is about how George Lucas Steven Spielberg a shark two motherships some gremlins ghostbusters and a man of steel jumper a whole generation to hyperspace DEROS Vietnam Doug Bradley,2012-09-07 DEROS Vietnam Dispatches from the Air Conditioned Jungle presents a unique fictional montage of the war and postwar experiences of Vietnam support troops Structurally based on Ernest Hemingway s In Our Time DEROS Vietnam the acronym stands for Date Eligible for Return from Over Seas is a riveting collection of 16 short stories and 16 interlinears about the GIs who battled boredom racial tensions the military brass drugs alcohol and occasionally the enemy From cooks and correspondents to clerks and comptrollers DEROS Vietnam distills the essence of life for soldiers in the rear during the war and later back home in a divided America Vietnam veteran Doug Bradley a former Army journalist who served in the air conditioned jungle at U S Army Headquarters near Saigon in 1970 71 tells these compelling stories with wit intensity and empathy In doing so he provides a gateway to a Vietnam experience that has been largely ignored and whose reverberations still echo across America **Copyright Issues, Cable Television and Performance Rights** United States. Congress. House. Committee on the Judiciary. Subcommittee on Courts, Civil Liberties, and the Administration of Justice,1980 **M*A*S*H** David Scott Diffrient,2008 Examines the origins cultural significance and legacy of the groundbreaking CBS television series M A S H which aired from 1972 to 1983 This study of M A S H analyzes the series contextual issues such as its creation reception and circulation as well as textual issues like its formal innovations narrative strategies and themes **Comic Drunks, Crazy Cults, and Lovable Monsters** David Scott Diffrient,2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as The Honeymooners All in the Family and Roseanne to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

Growing Up In A Pennsylvania Steel Town Edward Nebinger,2012-10-01 The author was inspired to write these memoirs of the years he spent growing up in the Pennsylvania steel town of Bethlehem before the Second World War by the realization that they were a pivotal time in American history While Americans were struggling with the economic hardships of the Great Depression they never gave up and instead made the best of what they had Out of their triumph over hardship grew the generation that fought and won the Second World War The society and culture exemplified by the Pennsylvania steel towns has now vanished but it is hard not to think that while we have gained much as a society we have also lost far too many things worthy of preservation One of these was the great Bethlehem Steel plant itself the ruins of which stretch for miles along the Lehigh River Dominating the ruins are the ghostly remains of the five great blast furnaces preserved to remind people of the greatness that was once Bethlehem Steel and the community that lived in its shadows *War Memories* Stéphanie A.H. Bélanger,Renée Dickason,2017-05-31 Shaping individual and collective war memories through the art of commemoration Focus On: 100 Most Popular Television Series by 20th Century Fox Television Wikipedia contributors, *Wild Ones* Jon Mooallem,2013-05-16 Intelligent and highly nuanced This book may bring tears to your eyes San Francisco Chronicle Journalist Jon Mooallem has watched his little daughter s world overflow with animals butterfly pajamas appliqué d owls while the actual world she s inheriting slides into a great storm of extinction Half of all species could disappear by the end of the century and scientists now concede that most of America s endangered animals will survive only if conservationists keep rigging the world around them in their favor So Mooallem ventures into the field often taking his daughter with him to move beyond childlike fascination and make those creatures feel more real Wild Ones is a tour through our environmental moment and the eccentric cultural history of people and wild animals in America that inflects it from Thomas Jefferson s celebrations of early abundance to the turn of the last century origins of the teddy bear to the whale loving hippies of the 1970s With propulsive curiosity and searing wit and without the easy moralizing and nature worship of environmental journalism s older guard Wild Ones merges reportage science and history into a humane and endearing meditation on what it means to live in and bring a life into a broken world **The Brewing Industry and the Brewery Workers' Movement in America** Hermann Schlüter,1910 American Militarism on the Small Screen Anna Froula,Stacy Takacs,2016-03-17 Anna Froula is Associate Professor of Film Studies in the Department of English at East Carolina University USA Stacy Takacs is Associate Professor and Director of American Studies at Oklahoma State University USA **How Baseball Explains America** Hal Bodley,George Will,2014-05-01 Examining the connection between baseball and our society as a whole How Baseball Explains America is a fascinating one of a kind journey through America s pastime Longtime USA TODAY baseball editor and columnist Hal Bodley explores just how essential baseball is to understanding the American experience He takes readers into the Oval Office with George H W Bush and Bill Clinton as the former presidents share their thoughts on the game he looks at the changes that America s Greatest Generation ushered in as well as

examining baseball's struggle with performance enhancing drugs alongside America's war on drugs An unabashedly celebratory explanation of America's love affair with baseball and the men who make it possible this work sheds light on topics such as the role Jackie Robinson's signing with the Dodgers played in the civil rights movement how baseball's westward expansion mirrored the growth of our national economy labor strife baseball families the international explosion of the game and even the myriad ways in which movies music and baseball are intrinsically tied It is a must read for anyone interested in more fully understanding not only the game but also the nation in which it thrives

The Cold War and Entertainment Television Lori Maguire, 2016-08-17 An essential dimension of the Cold War took place in the realm of ideas and culture While much work exists on cinema relatively little research has been conducted on this subject in relation to television despite the latter being a technology and popular cultural form that emerged during this period This book rectifies that absence by examining the impact of the Cold War on entertainment television and underlines the comparative aspect by studying programs from both blocs without forgetting of course the outsize impact of American television Although most of the focus is on the two main protagonists the US and the USSR chapters also consider programming from the UK Czechoslovakia Romania and both East and West Germany This book represents a contribution to the debate about the cultural Cold War through a rigorously comparative analysis of the two blocs For this reason the approach used is thematic The study begins by considering the subject of censorship and then goes on to look at the very particular case of the two Germanys A series of comparative genre studies follow including police and war variety shows and documentaries and docudramas Perhaps surprisingly the similarities are often greater than the differences between television in the two blocs

Skeletal Trauma E-Book Bruce D.
