

MANAGEMENT OF NON-PROFIT ORGANIZATIONS

There are more than 1.5 million non-profit organizations in the United States, and the numbers are increasing daily. The non-profits (NPO) also known as Not-For-Profit Organizations, include Hospitals, Colleges, Charities, Community Organizations, and a large number of large & small groups at all levels of the society, with a wide array of objectives and services.

While most non-profits have traditionally been managed by volunteers, during the last few decades, there has been an incredible growth in careers at the non-profit organizations. There is a huge demand for professional managers for non-profits of all sizes.

The Certificate (3-Year) and Diploma (2-Year) program at the Dominican International Institute trains you in all aspects of Non-Profit operation, from developing a non-profit organization to operating & managing the NPO.

Competency Based accelerated programs, based on credit for previous studies, experience, research or examination, may allow you to complete the program in less time. Most courses, including Continuing Education Programs, may be available on-campus, on-line or a combination thereof.

American Academy of International Studies offers more than 600 courses in 35+ exciting careers. Students have the option to take just one course from any prescribed curriculum or study for the whole program. We offer a unique 'Modular' curriculum, allowing our students and/or graduates to study or transfer to any other profession within our institution, without losing time and money, graduate and start your own business, or become employable in multiple careers.

New Classes begin in January, April, July & October on 3-month Trimester basis. Scholarships, Student Loan or Pay-As-You-Study programs are available. Classes are held during the day, evening or weekends for your convenience.
