Roger Slee

Understanding Disability From Theory To Practice:

Understanding Disability Michael Oliver, 2018-06-26 In this absorbing text by a leading writer and respected activist theory policy historical background and personal experience are combined to give readers a rich and illuminating picture of the key issues raised by disability In the author's uniquely clear and lively narrative style the book explores The practical and political challenges that disablement presents Theoretical understandings of disability Disability law and the realities of policy implementation Key points of contention for the disability movement This long awaited new edition of a best selling text includes new stories from the author's experience as well as sharply framed debate about the development of policy over the last decade and a half Its expansive coverage includes discussion of welfare rehabilitation special education and normalization This book is core reading for students of social work nursing health and applied social science taking modules in disability studies Michael Oliver was the first Professor of Disability Studies in the United Kingdom and is Emeritus Professor of Disability Studies at the University of Greenwich UK He is the author of the path breaking *The Politics of Disablement* and *Social Work with Disabled People* in its third edition co authored with Bob Sapey

Understanding Disability Michael Oliver, 1995-11-13 *Understanding Disability* develops some of the main themes and issues surrounding disability that have arisen in the last twenty years offering both a personal journey of exploration and understanding and an attempt to take further our theoretical understanding of disability

The Irregular School Roger Slee, 2011-04-19 *The Irregular School* explores the foundations of the current controversies and argues that continuing to think in terms of the regular school or the special school obstructs progress towards inclusive education

Challenging Ableism, Understanding Disability, Including Adults with Disabilities in Workplaces and Learning Spaces Tonette S. Rocco, 2011-12-21

Disability can affect adults across the life span and it is the one minority group every person could join This sourcebook aims to broaden the view of disability from a medical or economic concern to a social justice concern It examines practical theoretical and research aspects of disability including those who question disability classifications and situates it as a political and social justice concern technical and pragmatic concern and personal experience The authors present the perspectives of individuals with disabilities service providers parents and teachers and offer analyses that range from the personal to the broadly political This is the 132nd volume in this Jossey Bass higher education quarterly report series Noted for its depth of coverage this indispensable series explores issues of common interest to instructors administrators counselors and policymakers in a broad range of adult and continuing education settings

The Routledge Handbook of Social Work Theory Malcolm Payne, Emma Reith-Hall, 2019-06-25 *The Routledge Handbook of Social Work Theory* provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work

theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care

Activating Arts to Understand Disability in Africa Charlotte Baker,Elvis Imafidon,Kobus Moolman,Emelda Ngufor Samba,2025-08-29 While Disability Studies has become more diversified in recent years contemporary debates still favour the Northern Hemisphere ignoring the lived experience of disabled people in much of the global South Few theoretical studies pay sufficient attention to the range of beliefs and attitudes towards disability in specific African contexts despite the fact that beliefs and explanations for disability permeate daily existence in sub Saharan African places and can have real consequences for persons with disabilities leading to stigmatisation marginalisation and even violence This volume is a timely intervention that seeks to address some of these imbalances and biases Through frank life writing evocative poetry and critical reflections on African arts and literatures the contributors highlight the urgent need for more culturally informed understandings of disability as a means by which to challenge existing explanations They examine the powerful role of different creative forms tools and methodologies in enhancing understandings of disability in African contexts Demonstrating the power of cultural representation in building sensitivity to the range of issues related to disability this book is of key relevance not just to scholars and students of disability studies African studies and sociology but to all who seek to advocate for social change The volume is a key outcome of the Disability and Inclusion Africa Network It is edited by Charlotte Baker Lancaster University UK Elvis Imafidon SOAS University of London UK Kobus Moolman University of the Western Cape South Africa and Emelda Ngufor Samba University of Yaound 1 Cameroon

Disability Studies Dan Goodley,2024-11-01 What if disability isn't a problem but a resource This updated edition of a classic text in the field of disability studies interrogates the commonly held view that disability is something that needs to be cured or eradicated It shows us how disability can challenge our thinking and help us to imagine a more socially just society offering an engaging introduction to a diverse and globally expanding subject Taking an interdisciplinary approach this text will be of interest to undergraduates graduates and researchers across the social sciences Making the case that disability is much more than just impairment this book uncovers the ways in which disabled people are challenging discrimination and marginalisation Ranging across topics such as health activism and education this book asks questions about the ways in which society tends to understand disability and offers alternative explanations that are more exciting radical and transformative
