

The background of the entire image is a close-up, high-contrast photograph of crumpled white paper. The paper is folded and creased in many directions, creating a complex, textured surface with various shades of white and light gray. The lighting is soft, highlighting the ridges and valleys of the crumpling.

Undone By Easter Keeping Preaching Fresh:

Undone by Easter Bishop William H. Willimon, 2010-09-01 Face the prospect of preaching your next Easter sermon with joy and confidence rather than worry about finding something new to say. Preachers dread the arrival of Easter because these holy days bring the daunting task of finding new ways to tell the old stories everyone's heard so many times before. But what if it were only we preachers who are bored with these stories asks Will Willimon. What if people keep showing up at Easter because the story of God's victory over death continues to hold power for them. What if the point were not to capitulate to the culture's insatiable appetite for novelty but to tell the old stories faithfully trusting in the power of the Spirit to make the text the congregation and yes even the preacher come alive again in the preaching event. **Sermons That Sing** Noel A.

Snyder, 2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don't interact or inform each other in meaningful ways. Theologian pastor and musician Noel A. Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing.

Overcoming Sermon Block William Powell Tuck, 2014-04-07 When called on to preach whether you are a pastor or lay preacher do you sometimes find yourself blocked. Writer's block is a common complaint from many authors. They reach a point sometimes when they simply cannot produce anything worth reading. Preachers often encounter this same kind of roadblock when they attempt to prepare sermons. William Powell Tuck. With this opening sentence Dr. Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching. This book is not about the philosophy or theology of preaching but about preparing for writing and preaching a sermon. While the reader may quickly find a solution to this week's sermon Dr. Tuck also gives ideas and plans for long term preparation to open a new pathway moving sermons from a burden to a blessing for the writer as well as the intended listener. Anyone called to preach can benefit from reading this book. *Changing My Mind* William H.

Willimon, 2024-10-15 Yes pastor you can and should change your mind. The context of ministry continually changes the surrounding culture changes and a living God demands constant movement and change. So pastors and preachers must be prepared to change. Some of the current assumptions about how to persevere in ministry need to be questioned. What ideas and approaches do we need to change in ourselves and in our ministries. And how exactly do we change our minds and practices when we're called to be steady, stable and sure. Will Willimon narrates some of the twists and turns in his own journey as a pastor. These stories and change of mind and ministry points can be helpful to new pastors who are negotiating their own way into future ministry. Novice pastors can receive guidance and encouragement from hearing how a prominent pastoral leader, bishop, author, seminary professor and well known preacher for nearly five decades changed, grew and adapted in Christian ministry. And longtime pastors will find assurance and encouragement as they continue to grow and change too. The book consists of guidance from an older experienced pastoral leader to other pastoral leaders especially

young and new ones Willimon frames the material around the ways he has changed his mind and offers crucial ways that he once thought about ministry compared and contrasted with how he thinks now He depicts the pastoral vocation as requiring adaptation and revision by its practitioners Along the way the book includes conversations with First and Second Timothy as the precursor of this book an older experienced pastor Paul offering advice to a young unseasoned pastor Timothy Bishop Bishop William H. Willimon, 2012-04-01 As a church leader it's easy to make the wrong move and find yourself in a bad position What to teach How to teach What to do were the three questions Wesley employed at his first conferences In sixty previous books Will Willimon has worked the first two This book is of the What to do genre Many believe the long decline of The United Methodist Church is a crisis of effective leadership Willimon takes this problem on As an improbable bishop for the last eight years he has laid hands on heads made ordinands promise to go where he sends them overseen their ministries and acted as if this were normal Here is his account of what he has learned and more important what The United Methodist Church must do to have a future as a viable movement of the Holy Spirit **Of Seeds and the People of God** Michael P. Knowles, 2015-02-06 Preachers mount the pulpit steps terribly burdened by the conviction that they are somehow responsible for the growth and spiritual well being of their congregants How they ask themselves can mere words communicate the reality of God bring life to a congregation or foster spiritual growth This study argues that effective sermons function much like Jesus parables by bearing witness to divine power Parables and preaching both testify to something beyond themselves to a life giving dynamic that far outstrips the force of words alone Preachers are not go betweens or gatekeepers for the kingdom of heaven rather they imitate Jesus by dying to themselves in the very act of proclamation relying directly on God for their sermons to bear fruit As well as offering a novel interpretation of Jesus agricultural parables *Of Seeds and the People of God* presents a Christ shaped theology of preaching Beyond exegesis or rhetoric alone faithful proclamation is a question of spirituality of preachers and listeners together yielding to God's gift of new life *Who Lynched Willie Earle?* Bishop William H. Willimon, 2017-02-07 Pastors and leaders long to speak an effective biblical word into the contemporary social crisis of racial violence and black pain They need a no nonsense strategy rooted in actual ecclesial life illuminated in this fine book by a trustworthy guide Will Willimon who uses the true story of pastor Hawley Lynn's March of 1947 sermon *Who Lynched Willie Earle* as an opportunity to respond to the last lynching in Greenville South Carolina and its implications for a more faithful proclamation of the Gospel today By hearing black pain naming white complicity critiquing American exceptionalism civil religion inviting challenging the church to respond and attending to the voices of African American pastors and leaders this book helps pastors of white mainline Protestant churches preach effectively in situations of racial violence and dis ease *A Door Set Open* Peter L. Steinke, 2010-08-23 We resist change less when we associate it with mission and fortify it with hope So argues longtime congregational consultant Peter Steinke in his fourth book *A Door Set Open* as he explores the relationship between the challenges of change and our own responses to new ideas and experiences

Steinke builds on a seldom explored principle posited by the late Rabbi Edwin Friedman the hostility of the environment is proportionate to the response of the organism The key Steinke says is not the number or strength of the stressors in the system anxiety poor conditions deteriorating values but the response of the individual or organization to what is there Drawing on Bowen system theory and a theology of hope as well as his experience working with more than two hundred congregations Steinke makes the case that the church has entered an era of great opportunity Theologian and sociologist Ernst Troeltsch said the church had closed down the office of eschatology Steinke reopens it and draws our attention to God's future to a vision of hope for the people of God The door is set open for exploration and new creation

Witnesses of These Things J. Aaron Miller, 2024-02-20 The risen Jesus sends his disciples out as witnesses of repentance and the forgiveness of sins in his name In a time of uncertainty for the western church particularly for mainline congregations this commission offers a simple framework for faithful contextual work and witness growing in the way of the God who sets captives free and raises the dead One part call to action one part celebration of the miracle that is the local church Witnesses of These Things is an invitation to grab hold of the life that is truly life for which each one of us and this God beloved world are made

Wondrous Love, 2019-10-15 This beautiful full color large print Lenten devotional highlights readings from the gospel of Matthew with 46 entries one for each day in Lent Each reading is accompanied by a photo a quote to ponder a reflection and a prayer Wondrous Love explores Jesus journey from baptism to the cross and the empty tomb as depicted in Matthew the gospel focus for 2020 year A in the Revised Common Lectionary
