United Captured By Gods Vision For Diversity:

United Trillia J. Newbell, 2014-02-14 What s the view from where you worship racially diverse or racially monochrome On the Last Day every tongue and tribe will be represented in the glorious chorus praising God with one voice Yet today our churches remain segregated Can we reflect the beauty of the last day this day *United* will inspire challenge and encourage readers to pursue the joys of diversity through stories of the author s own journey and a theology of diversity lived out It s time to capture a glimpse of God s magnificent creativity In the pages of *United* Trillia Newbell reveals the deeply moving transforming power of knowing really knowing someone who is equal yet unique As we learn to identify in Christ rather than in our commonalities we begin to experience the depth and power of gospel unity **Letters to a Birmingham Jail** Bryan

Loritts, 2014-03-26 More than fifty years ago Dr Martin Luther King Jr wrote his Letter from a Birmingham Jail Much has transpired in the half century since and progress has been made in the issues that were close to Dr King s heart Thankfully the burning crosses biting police dogs and angry mobs of that day are long gone But in their place passivity has emerged A passivity that must be addressed That s the aim of *Letters to a Birmingham Jail* A collection of essays written by men of various ethnicities and ages this book encourages us to pursue Christ exalting diversity Each contribution recognizes that only the cross and empty tomb of Christ can bring true unity and each notes that the gospel demands justice in all its forms This was a truth that Dr King fought and gave his life for and this is a truth that these modern day drum majors for justice continue to beat *If God Is For Us* Trillia J. Newbell, 2019-01-01 If the Bible were a mountain range it is said Romans 8

would be its highest peak I can say after reading this study that Trillia Newbell is a sure footed mountain guide that will help you climb this great passage and get some of its best breathtaking views of God and our salvation in Christ I highly recommend this volume Tim Keller cofounder Redeemer City to City What would change if you really understood all that God has done and is doing for you Sure we know in our head that God is for us that there s great hope in his relationship with us and salvation for us but sometimes these truths can be hard to believe in the midst of exhaustion busyness and a world of spiritual and physical opposition *If God Is For Us* is a devotional Bible Study on Romans 8 designed to cement in your soul the great truths of our salvation and an understanding for how the Holy Spirit guides our new life in the Spirit all found in this beloved chapter of Scripture Why just the one chapter The simple answer there s so much there It s no wonder that so many Christians list Romans among their favorite books of the Bible and Romans 8 as their favorite in the book Romans is packed with profound truth after profound truth which are then followed up with life changing promise after life changing promise In this 6 week study Trillia Newbell will walk you through Romans 8 and help you cement deep inside yourself the scandalous truths of our great salvation our inheritance the assurance of our faith and ultimately the love of our good Father Each week will include 5 daily readings out of Romans A devotional for each daily reading Questions for reflection and study If you ve experienced the comfort of Romans 8 before but want to plant it more deeply in your person this is the Bible Study

for you And it s great for individual or group settings If you re ready to live a life that shouts God is for me who can be against me let s get started today **The Wonder-Working God** Jared C. Wilson,2014-07-31 Do you believe in miracles Walking on water Multiplying the fish and the loaves Raising Lazarus from the dead The miracles of Jesus may be well known but they re often misunderstood In The Wonder Working God pastor Jared Wilson wants to help us see that there s more than meets the eye when it comes to the miraculous events recorded in the Gospels From the humble wonder of the incarnation to the blinding glory of the transfiguration this book shows how Jesus s miracles reveal his divinity authority and ultimate mission restoring us and this world to a right relationship with God *Walking with God in the Season of Motherhood* Melissa B. Kruger,2015-03-17 Learn how God s imprint on your heart can make a lasting impression on your children Being a mom usually means being busy Really busy Whether you re zipping from your children s piano lessons to their next ballgame or nursing a baby while comforting a toddler life is brimming with activities Yet one encounter can help shape every moment time in the Word with Jesus In Walking with God in the Season of Motherhood you ll learn how to nourish your own heart mind and soul with the wisdom you need to become the mother you long to be As you spend time with God through this eleven week Bible study you ll gain life shaping insights to help you Understand and pursue your purpose as a mother Live out your true priorities Entrust your child to God Bear the fruit of the Spirit in your everyday interactions Recover from Perfect Mom Syndrome PMS Each week offers four days of study geared specifically to a mother s concerns with the Bible passages already printed out for your convenience The fifth day is a warm hearted devotional reading to help you reflect on and apply the truths you ve learned As your relationship with God deepens through prayer and studying His Word you ll discover how His imprint on your heart can make a lasting impression on your children **Gospel Conversations Reimagined** Cas Monaco,2024-07-15 In Gospel Conversations Reimagined longtime ministry leader Cas Monaco demonstrates another way to share the gospel one that is conversational story based and meets people where they re at **Made For More** Hannah Anderson,2014-03-20 Who are you really In an uncertain world we crave the security of knowing exactly who we are and where we belong But too often as women we try to find this safety in our roles and relationships our professional accomplishments or our picture perfect homes And as we do our souls shrink smaller and smaller It s because these things aren t made to hold us In Made for More Hannah Anderson invites you to re imagine yourself not simply as a set of roles and categories but as a person destined to live in the fullness of God Himself Starting with our first identity as image bearers Hannah shows how Jesus Christ makes us people who can reflect His nature through our unique callings She also explores how these deeper truths affect the practical realities that we face as women how does being an image bearer shape our pursuit of education our work and even our desire for holistic lives Because you are made in God s image you will only ever know yourself only ever be yourself as you find your identity in Him Find it now Leadership Mosaic Daniel Montgomery,Jared Kennedy,2016-10-13 There s a leadership crisis in the church Every

leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces
