A Voice of Warning, and Instruction to All People; Or, An Introduction to the Faith and Doctrine of the Church of Jesus Christ of Latter-day Saints Parley Parker Pratt,1898 [A Voice of Warning and Instruction to All People](#)

Parley Parker Pratt,1908 **A Voice of Warning and Instruction to All People, Or, an Introduction to the Faith and Doctrine of the Church of Jesus Christ of Latter-day Saints** Pratt,1887 **A Voice of Warning and Instruction to All People. Or, an Introduction to the Faith and Doctrine of the Church of Jesus Christ of Latter Day Saints** Parley Parker Pratt,2024-08-06 **Mormonism: A Guide for the Perplexed** Robert L. Millet,Shon D. Hopkin,2015-11-19

Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life

[Mormon Identities in Transition](#) Douglas Davies,2016-10-06 This collection of interdisciplinary essays explores the prime concern of Mormon Studies the relationship between knowledge and spirituality and how that relationship has been defined and reinterpreted over time Beginning with an examination of the international prospects for Mormonism at the turn of the century the volume s overarching theme from sociological anthropological and theological approaches is the examination of changing Mormon identities The contributors review the expansion of Mormonism the emotional and social contexts of its historic and contemporary manifestations the distinction between Utah Mormons and the Reorganized Church of Jesus Christ of Latter Day Saints and issues in Mormon feminism concluding with a valuable review of the sources and documents available for studying Mormonism

The Millenarian World of Early Mormonism Grant Underwood,1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines

The National Union Catalog, Pre-1956 Imprints ,1976 [Catalogue of the Astor Library](#) Charles Alexander Nelson,1887 **Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. Bruno,Joe Steve Swick

III,Nicholas S. Literski,2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult

to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded

Selected Catalogues, 1890-1895 Francis P. Harper (Firm),1890 **Mormon Hermeneutics** Jeffrey S. Krohn,2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics Wayward Saints Ronald Warren Walker,1998 A story that includes spiritualist seances conspiracy and an important church trial Wayward Saints chronicles the 1870s challenge of a group of British Mormon intellectuals to Brigham Young s leadership and authority William S Godbe and his associates revolted because they disliked Young s authoritarian community and

resented what they perceived as the church's intrusion into matters of personal choice. Expelled from the church, they established the New Movement, which eventually faltered. Both a study in intellectual history and an investigation of religious dissent, *Wayward Saints* explores nineteenth-century American spiritualism as well as the ideas and institutional structure of first and second generation Mormonism.
