Warriner,1995 *Handbook of Research on Writing* Charles Bazerman,2009-03-04 The Handbook of Research on Writing ventures to sum up inquiry over the last few decades on what we know about writing and the many ways we know it How do people write How do they learn to write and develop as writers Under what conditions and for what purposes do people write What resources and technologies do we use to write How did our current forms and practices of writing emerge within social history What impacts has writing had on society and the individual What does it mean to be and to learn to be an active
