Messner**

Too Much Noise In The Library:

Too Much Noise in the Library Susan Margaret Chapman, 2010 The mayor visits Ms Reade's school library and when he decides it is too noisy he turns off the computers and Dvd players locks up all the books and sends the students and teachers away but soon realizes that a library is no good if it is not being used

Crash Course in Dealing with Difficult Library Customers Shelley Elizabeth Mosley, Dennis C. Tucker, Sandra Van Winkle, 2013-12-16 Libraries are public places open to anyone and everyone This book contains invaluable practical tips for library staff who sometimes must deal with difficult or even dangerous individuals and situations Every library experiences difficult patrons Thorough preparation is the best defense it's always much better to be proactive than reactive The authors of Crash Course in Dealing with Difficult Library Customers realized that these kinds of situations are more universal than unique despite the great variations in library environments and customer bases and pooled their more than 100 years of experience to offer practical advice that will help library staff prepare for the many kinds of worst case scenarios before they arise The book identifies the basic types of problem causing individuals thoroughly overviews effective strategies for offsetting their actions and explains how to successfully manage the stressful emotionally charged situations that can arise Drawing on their extensive real world experience the authors provide instructions for last resort options when dealing with illegal activities acknowledge the rights of employees in difficult situations and present strategies that will minimize staff members stress levels when dealing with patrons While this book will be extremely valuable to public library staff it addresses common situations that can happen in public service at any type of library Administrators who need to develop policies to protect their staff and their users will also find this unique work essential reading

School Library Storytime Brenda S. Copeland, Patricia A. Messner, 2013-04-23 This book is an invaluable resource for school library aides who conduct storytime activities providing everything from instruction on how to read to children to a week by week read aloud curriculum for the entire school year School Library Storytime Just the Basics is the perfect resource for library aides paraprofessionals or other library staff who conduct storytime in a school library media center It provides all of the essential information materials and step by step guidance needed to facilitate these all important events for children in kindergarten through second grade allowing library staff without previous training or experience to get started with confidence The fifth title in the highly regarded Just the Basics series this book starts with an introduction followed by explanations of how to read aloud and tips for managing and working with children in the primary grades The authors suggest specific picture books that tie into school year based themes and supply materials that can be used as listed or easily modified to meet the individual library's needs Event specific lessons are supplied for many weeks within the school year making this title one that educators will rely on for storytime ideas from September through May

Library Programming for Autistic Children and Teens Amelia Anderson, Barbara Klipper, 2021-04-22 Foreword by Barbara Klipper Since the first edition of this landmark guide was published there has been

increased interest in services for library patrons on the autism spectrum indeed more people of all ages now self identify as autistic Those who understand the unique characteristics of autistic young people know that ordinary library programming guides are not up to the task of effectively serving these library users Well qualified to speak to this need Anderson is an educator library researcher and former public librarian who has helped to develop two IMLS funded initiatives that train library workers to better understand and serve autistic patrons Here she offers librarians who work with children and teens in both public library and K 12 educational settings an updated comprehensive resource that includes an updated introduction to the basics of autism including language symbolism and best practices in the library rooted in the principles of Universal Design step by step programs from librarians across the country adaptable for both public and school library settings that are cost effective and easy to replicate contributions from autistic self advocates throughout the text demonstrating that the program ideas included are truly designed with their preferences in mind suggestions for securing funding and establishing partnerships with community organizations and many helpful appendices with handy resources for training and education building a collection storytimes sensory integration activities and a Tips for a Successful Library Visit template

The Essential Library for New Moms 4-Book Bundle Marc Weissbluth, M.D., Eileen Behan, 2012-08-27
