Television Variety Shows David M. Inman,2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of

television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows. In the 1960s major stars such as Jerry Lewis, Dean Martin, Judy Garland and Danny Kaye were hosting variety shows. By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher, Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided followed by a brief look at each episode, air date, guest stars, sketches performed and a listing of songs featured are included.

The British Television Pilot Episodes Research Guide 1936-2015 Christopher Perry, 2015-12. A new idea can become an expensive flop for TV executives. So from the earliest days of television the concept of a pilot episode seemed like a good idea. Trying out new actors, new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television, sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.

Television Series and Specials Scripts, 1946-1992, 2009-10-21. In the early days of television many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming including comedies, soap operas, dramas, westerns and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual
