In the upper right, a warrior in armor is shown in a dynamic pose, possibly falling or leaping, with a bright light source behind him. The lower portion of the image is filled with a chaotic pile of arrows and spears, suggesting a recent battle. The overall color palette is dominated by warm, golden, and brown tones, creating a sense of intensity and historical drama.

Storming Heaven Miles

Cameron,2023-07-20 Before iron helmets and steel swords when dragons roamed the world was an age of bronze and stone when the Gods walked the earth and people lived in terror A scribe a warlord a dancer a mute insect and a child should have no chance against the might of the bickering gods and their cruel games But the gods themselves are old addicted to their own games of power and now their fates may lie in the hands of mere mortals By divine plan a plague of cannibals has been

unleashed across the world forming an armada which preys on all who cross their path Meanwhile the people who allied against the gods have been divided each taking their own path to attack the heavens if they can survive the tide of war which has been sent against them All they need is the right distraction and the right opportunity to deal a blow against the gods themselves An original visceral epic weaving together the mythologies of a dozen pantheons of gods and heroes to create something new and magical this tale of the revolt against the tyranny which began in *Against All Gods* is a must read from a master of the fantasy genre *Tom Swan and the Last Spartans: Part One* Christian Cameron, 2016-02-18 Fifteenth century Europe Tom Swan is not a professional soldier He's really a merchant and a scholar looking for remnants of Ancient Greece and Rome temples graves pottery fabulous animals unicorn horns But he also has a real talent for ending up in the midst of violence when he didn't mean to Having used his wits to escape execution he begins a series of adventures that take him to street duels in Italy meetings with remarkable men from Leonardo Da Vinci to Vlad Dracula and from the intrigues of the War of the Roses to the fall of Constantinople **The Ill-Made Knight** Christian Cameron, 2013-08-01 Brilliantly evoked SUNDAY TIMES Discover the first medieval adventure in the action packed Chivalry series Perfect for fans of Bernard Cornwell Simon Scarrow and Conn Iggulden September 1356 Poitiers The greatest knights of the age were ready to give battle On the English side Edward the Black Prince who'd earned his spurs at Crecy On the French side the King and his son the Dauphin With 12 000 knights And then there is William Gold A cook's boy the lowest of the low who had once been branded as a thief William dreams of being a knight but in this savage new world of intrigue betrayal and greed first he must learn to survive As rapacious English mercenaries plunder a country already ravaged by plague and the peasantry take violent revenge against the French knights who have failed to protect them is chivalry any more than a boyish fantasy A sword slash above the rest IRISH EXAMINER One of the finest writers of historical fiction in the world BEN KANE **Tom Swan and the Last Spartans: Part Two** Christian Cameron, 2016-03-17 Fifteenth century Europe Tom Swan is not a professional soldier He's really a merchant and a scholar looking for remnants of Ancient Greece and Rome temples graves pottery fabulous animals unicorn horns But he also has a real talent for ending up in the midst of violence when he didn't mean to Having used his wits to escape execution he begins a series of adventures that take him to street duels in Italy meetings with remarkable men from Leonardo Da Vinci to Vlad Dracula and from the intrigues of the War of the Roses to the fall of Constantinople *The Green Count* Christian Cameron, 2017-07-13 One of the finest historical fiction writers in the world Ben Kane After the bloody trials of Alexandria Sir William Gold is readying for a pilgrimage to Jerusalem to ease the burden on his soul He hopes too that the Holy City might allow his relationship with Emile cousin of the Green Count of Savoy to develop But the Roman Emperor of Constantinople has been taken hostage by an unknown enemy and the Green Count is vital to the rescue effort It is up to Sir William to secure his support but he soon finds that his past and his relationship with Emile might have repercussions he had not foreseen Suddenly thrust onto the stage of international politics
