wonders of your heart loves you like a sister and provides a reality check when you're being a brat Canadian sisters Melanie and Joanne are stunned to hear they've inherited their uncle's beachfront summerhouse in Mexico. With a snap, a trip is planned. They'll travel opulently by cruise ship to Ensenada, zip over to San Felipe, sign a few papers at the bank, and the tropical hideaway will be theirs. What they don't expect is a spa treatment gone loco, snails and cactus on their dinner plates, risky ocean dips, a cross-country desert drive, a dishy doctor, or a Federale who doesn't speak English. Fortunately, some problems really can be solved with coconut cake, and if necessary, a water fight. The beachfront property and what it takes to get them there becomes a gift beyond their wildest wishes as these Sisterchicks relinquish themselves to the dreams God has for them all under the sombrero of His grace.

Story Behind the Book

A year ago in July, an associate from my publishing house walked up to my friend and I and said, "You need to go on a cruise." She grinned and told us that she had a cruise package she couldn't use and it would be her delight to see my editor and me go to Mexico on a Sisterchick adventure. After we got over the shock, we gratefully made arrangements to go cruising in December. What a time we had! Was it research or was it recharging of our creative efforts? Both. The result is the third Sisterchicks novel, *Sisterchicks in Sombreros*. I love it when God does His God things. His eye is on the sparrow, or in this case, Robin and her Sisterchick friend.
