

THE BATTLE OF WATERLOO.

Taken on the spot after the Action of the 18th June 1815. Presented & Coloured with permission to H.R.H. the DUKE OF YORK, by Lieut. Tyler 2^d GB.

Waterloo The 1815 Campaign

Peter Hofschröder

Waterloo The 1815 Campaign:

The Waterloo Campaign, 1815 William Siborne, 2019-12-06 William Siborne's *The Waterloo Campaign 1815* stands as a seminal work in military history offering an exhaustive analysis of one of the most pivotal battles in European history. Through meticulously detailed accounts and coherent narrative style, Siborne marshals both primary sources and eyewitness testimonies to construct a comprehensive examination of the campaign's strategic implications and military tactics. The book is notable for its methodological rigor, utilizing cartographic illustrations and critical annotations that enrich the reader's understanding of the battlefield dynamics and troop movements of this fateful confrontation. Siborne, a British Army officer and historian, was deeply influenced by his experiences in military service and his fascination with the Napoleonic Wars. His dedication to the study of the Waterloo Campaign culminated in the publication of this work, which reflects a desire not only to document the events of the battle but also to analyze their broader social and political ramifications. Siborne's extensive field surveys and personal interactions with veterans lend the work an authenticity that is both rare and invaluable to scholars of military history. Recommended for both historians and general readers alike, *The Waterloo Campaign 1815* provides a compelling narrative that illuminates the complexities of warfare and the human experiences behind it. Siborne's insightful analysis will engage those interested in the intricacies of military strategy as well as the sociopolitical context in which such defining moments are set. This book is an essential addition to any collection focused on historical military events.

Waterloo: From Elba to Ligny and Quatre Bras John Hussey, 2017 The concluding volume of this work provides a fresh description of the climactic battle of Waterloo placed in the context of the whole campaign. It discusses several vexed questions: Blücher's intentions for the battle, Wellington's choice of site, his reasons for placing substantial forces at Hal, the placement of Napoleon's artillery, who authorized the French cavalry attacks, Grouchy's role on 18 and 19 June, Napoleon's own statements on the Guard's formation in the final attack, and the climactic moment when the Prussians reached Wellington's troops near la Belle Alliance. Close attention is paid to the negotiations that led to the capitulation of Paris and subsequent French claims. The allegations of Las Cases and later historians that Napoleon's surrender to Captain Maitland of the *Bellerophon* amounted to entrapment are also examined. After a survey of the peace settlement of 1815, the book concludes with a masterly chapter reviewing the whole story of the 1815 campaign.

Waterloo: The Campaign of 1815, Volume 1 John Hussey, 2017-06-12 This, the fourth volume in Andrew Field's highly praised study of the Waterloo campaign from the French perspective, depicts in vivid detail the often neglected final phase: the rout and retreat of Napoleon's army. The text is based exclusively on French eyewitness accounts which give an inside view of the immediate aftermath of the battle and carry the story through to the army's disbandment in late 1815. Many French officers and soldiers wrote more about the retreat than they did about the catastrophe of Waterloo itself. Their recollections give a fascinating insight to the psyche of the French soldier. They also provide a firsthand record of their experiences and the range of their reactions from

those who deserted the colors and made their way home to those who continued to serve faithfully when all was lost Napoleons own flight from Waterloo is an essential part of the narrative but the main emphasis is on the fate of the beaten French army as it was experienced by eyewitnesses who lived through the last days of the campaign **Waterloo**

Campaign Albert A. Nofi,1993-08-21 Albert Nofi has used his many years of research to produce an account of the battle of Waterloo that has all the grandeur and military detail one could want but which never loses its interest in individual human experience Here Napoleon rides forward to take personal command of a small detachment of French Marines to fight his way across the Sambre river on the way to Waterloo Hanoverian exiles who have been fighting Napoleon for a decade under English command are surrounded and wiped out in a classic last stand at the hour of victory The Waterloo Campaign also covers the death of the Duke of Brunswick the reconciliation of Napoleon and his estranged brother Jerome in the crucible of battle and the tragic loss and miraculous delivery of many ordinary people In addition to its popular appeal Albert Nofi s The Waterloo Campaign has found favor with the most demanding of military enthusiasts Waterloo is a Military Book Club Main Selection in the U S and has been selected for a special European edition Special features of The Waterloo Campaign include the most complete orders of battle available for the British French and Prussian armies a detailed comparison of artillery and musketry capabilities sidebars profiling many of the personalities of the campaign weather conditions for each hour of the battle and the best informed estimates available on unit strengths and casualties for horses as well as humans during the campaign New York educator Albert Nofi appeared frequently as a radio and TV military commentator during the Persian Gulf War always balancing the grand principles of command against the individual human drama He is the author of numerous books including The Spanish American War 1898 The Marine Corps Book of Lists and The War Against Hitler

Waterloo 1815: Quatre Bras & Ligny Peter Hofschröer,2005-02-09 The Battle of Waterloo marked the climax of four extraordinary months Napoleon returned from exile ousted the unpopular King Louis XVIII and then turned to launch a pre-emptive strike against the Allied armies assembling in the United Netherlands Here Napoleon met Wellington who had cobbled together an army with contingents from the British the United Netherlands and the Prussians firstly at Quatre Bras and then finally at Waterloo This is the second book in the series to cover the battle following on from Hougoumont

Waterloo, 1815 Peter Hofschröer,2005 The Battles of Quatre Bras and Ligny are often overshadowed by the Battle of Waterloo that took place two days later Yet the events of 16 June 1815 were crucial as Napoleon missed his chance of achieving a decisive victory Peter Hofschroer s authoritative guide to these two critical engagements tells the story of the campaign and investigates each battle in detail and he takes the reader on a fascinating tour of the present day battlefields By skillful use of maps photographs and diagrams he describes the movements of the armies and analyses the thinking and actions of the commanders *Campaign of Waterloo, 1815* John Henry Anderson,1914 **Waterloo: The Campaign of 1815, Volume 2** John Hussey,2017-09-30 Winner of the 2019 RUSI Duke of Wellington Medal for Military HistoryWinner of

the 2017 Society for Army Historical Research Templer Medal Shortlisted for Military History Monthly's Book of the Year Award

The first of two groundbreaking volumes on the Waterloo campaign this book is based upon a detailed analysis of sources old and new in four languages It highlights the political stresses between the Allies and their resolution it studies the problems of feeding and paying for 250 000 Allied forces assembling in Belgium during the undeclared war and how a strategy was thrashed out It studies the neglected topic of how the slow and discordant Allies beyond the Rhine hampered the plans of Blücher and Wellington thus allowing Napoleon to snatch the initiative from them Napoleons operational plan is analyzed and Soult's mistakes in executing it Accounts from both sides help provide a vivid impression of the fighting on the first day 15 June and the volume ends with the joint battles of Ligny and Quatre Bras the next day Waterloo: the Campaign Of 1815 John Hussey, 2019-10

The first of two ground breaking prize winning volumes on the Waterloo campaign this book is based upon a detailed analysis of sources old and new in four languages **Waterloo** John Hussey, 2017-12-19

The concluding volume of this work provides a fresh description of the climactic battle of Waterloo placed in the context of the whole campaign It discusses several vexed questions Blücher's intentions for the battle Wellington's choice of site his reasons for placing substantial forces at Hal the placement of Napoleon's artillery who authorized the French cavalry attacks Grouchy's role on 18 and 19 June Napoleon's own statements on the Garde's formation in the final attack and the climactic moment when the Prussians reached Wellington's troops near la Belle Alliance Close attention is paid to the negotiations that led to the capitulation of Paris and subsequent French claims The allegations of Las Cases and later historians that Napoleon's surrender to Captain Maitland of the Bellerophon amounted to entrapment are also examined After a survey of the peace settlement of 1815 the book concludes with a masterly chapter reviewing the whole story of the 1815 campaign
