We Need New Names Shmoop:

The Online Tutor's Toolkit Molly Bolding, 2022-10-12 This book contains everything you need to know to get started as an online tutor. It covers the essentials of tutoring: choosing your tech and software, managing homework, and getting set up alongside detailed guidance focusing on each level of tuition. With techniques developed through research and first-hand experience, the author explains exactly how to turn existing subject knowledge into effective tutoring for students of all ages in a variety of subjects. Divided into two parts, the first answers the logistical questions facing every new tutor, such as what equipment do I need? Where can I apply? How much should I charge? The second half focuses on how to tutor different age groups effectively and subject-specific areas including English, Maths, and Science, as well as the author's tried and tested 5-step process for choosing a subject, assessing a student, and planning their first lessons. There is also information on how to support students writing personal statements and applying to university, as well as teaching English as a Second Language. Alongside tailored up-to-date information on available software, hardware, exam specifications, and the online tutoring marketplace, the book contains a 10-week timetable of adaptable lesson plans so new tutors can get started immediately. Finally, there are two additional downloadable chapters which expand on less common subjects and another which includes a digital download of every resource from the book. With suggestions for resources, homework, and timings to support you at every stage, this is an essential read for anyone wanting to succeed as an online tutor. **Apps for Learning** Harry J.

Dickens, Andrew Churches, 2011-10-20 Provides detailed descriptions of forty apps that can be used in high school classrooms.

Modern Rhetorical Criticism Roderick P. Hart, Suzanne M. Daughton, Rebecca Lavalley, 2017-12-06 A comprehensive and up-to-date introduction to the analysis of public rhetoric. Modern Rhetorical Criticism teaches readers how to examine and interpret rhetorical situations, ideas, arguments, structure, and style. The text covers a wide range of critical techniques from cultural and dramatic analysis to feminist and Marxist approaches. A wealth of original criticism demonstrates how to analyze such diverse forms as junk mail, campaign speeches, and popular entertainment, as well as literature. This long-awaited revision offers specific guidance on crafting analytic essays and contains new coverage of legacy as well as new media, identity criticism, and postcolonial and decolonial criticism. The fourth edition also offers additional resources online for instructors and students.

Differentiating Instruction Jacqueline S. Thousand, Richard A. Villa, Ann I. Nevin, 2014-11-14 The ultimate guide to leaving no child behind, newly updated. Now in its second edition, this best-selling book is your one-stop resource for differentiated instruction. Whether you're new to the concept or just looking to improve your approach, you'll find tools to meet the needs of all your students in a way that works for you. You'll discover how innovative approaches such as Universal Design for Learning (UDL) and retrofitting can help you adapt general education curriculum to fit diverse learning styles. Featuring case studies at the elementary, middle, and high school levels, this new edition offers more easy-to-use strategies to differentiate instruction in mixed-ability classrooms. A new chapter on collaborative planning and evaluation plus

a discussion of co teaching and differentiation Updated lesson plans tied to the Common Core A greater emphasis on cultural proficiency ELLs and gifted students New technology references and resources A strengthened link to RTI Every student is different and every classroom is different too With multiple options to differentiate instruction at any point along the way this essential guide will help you create the path to success for every student Thousand Villa and Nevin take three very big ideas in education Universal Design Collaboration and Differentiated Instruction and combine them in a novel and engaging way And they practice what they preach the information and examples speak to someone just beginning to differentiate instruction as well as the expert who wants to further refine his or her craft Douglas Fisher Professor San Diego State University The extensive emphasis on technology case studies and lesson plans throughout the book provide a rich resource to the readers of this exciting text Administrators university instructors and staff developers will find this a valuable tool to support their students and colleagues on their differentiation journey Mary Falvey Retired Dean and Professor Emeritus California State University Los Angeles

A Holly Brown Christmas Samantha Chase, 2025-11-04 The holidays are Holly Brown s favorite time of year There s nothing she loves more than the fun festivities and the company Christmas party namely because it means she gets to spend time with Lucas Brooks her coworker and her boss s son When she learns that the party is getting canceled thanks to Mr and Mrs Brooks impending divorce Holly takes it upon herself to save the party And if she just so happens to bring her boss and his wife back together in the process that s just more cause for celebration It also doesn t hurt that it s the perfect opportunity to work one on one with Lucas Getting into the holiday spirit is the last thing Lucas wants to do With his parents dragging him into their divorce drama he s just not feeling all that festive But that s not exactly anything new For Lucas the holidays just meant less work and he never got what all the fuss was about especially when his family cared more about appearances than spending time together When a friend suggests he take over planning the company Christmas party from his parents he s less than thrilled by the idea Then Holly shows up with all her holiday cheer and he finds it hard to say no Or not be affected by her effusive joy With Holly s help Lucas realizes there s more to Christmas than a perfectly decorated house that s all glitz and no heart And that the true meaning of Christmas isn t gifts and perfection it s about hope togetherness and the quiet joy that can light up even the saddest little pine
